

SPORTS PREMIUM REVIEW 2016-17

How we used the funding

The Sports Premium is a grant which is allocated to schools to develop and enhance sports provision.

We use existing research and publications including those from the Ofsted Good Practice series to enable us to make decisions relating to spending of our pupil premium grant (PPG).

We liaise with our local sports partnership, Stevenage Sporting Futures, to receive advice and guidance on the most effective initiatives to develop provision in sport.

In 2015-16, we received £9,975 of funding which we used to meet our five key aims in the development of sustained Physical Education for all of our pupils.

Stevenage Sporting Futures membership	£4,000
Other memberships & coaches	£930
Premier Sports	£2,800
Resources	£2,245

Our School's Five Key Aims

1. The engagement all pupils in regular PE activity, starting healthy lifestyles.
2. The profile of PE and sports been raised across the school as a tool for whole school improvement.
3. Increasing confidence, knowledge, skills of all staff teaching PE.
4. Broader experience of a range of sports activities offered to all pupils.
5. Increased participation in competitive sport.

These are all linked to Sporting Futures aims and guiding principles.

Sporting Futures Aims:

- to create opportunities and raise aspirations through sport and physical activity
- Continue to support schools to deliver high quality PE and school sport through a coordinated local delivery system
- Ensure, through collaborative partnering, local needs are met and the greatest benefit is felt by all young people.

Sporting Futures guiding principles:

- provide aspirational role models through sport
- Provide a broad and varied range of opportunities for all pupils to take part in physical activity, leadership and volunteering
- Support young people to develop healthy and active lifestyles which they can follow through into adult life
- Maximise the impact PE and sport increasingly achievement and attainment of young people
- Work with partners to provide continuing professional development power and skill workforce delivering PE
- to motivate young people learning across the curriculum and raise participation in physical activity.
