Behaviour Policy

Introduction

At St Vincent de Paul School everyone is a valued member of our community. We strive to promote all characteristics of human development – intellectual, physical, emotional, spiritual, moral and social. In keeping with the mission statement we are a community of faith based on relationships nurtured by the love of God and our neighbour.

Together we believe that every person in a school community has the right to expect and receive respect.

Principles

- The high behaviour expectations we have of the children, are reinforced by all members of staff - *when pupils are reprimanded, they know that it is their behaviour that is being criticised, not themselves. They should not feel humiliated or diminished. Forgiveness is given a high profile and a “new start” given every encouragement.*
- Most disciplinary matters can be dealt with by the member of staff supervising the children at the time of the misdemeanour - *repeated and serious misbehaviour should be reported to the Head or Deputy Head (INCO).*
- Any sanctions should be appropriate to the misdemeanour - *all discipline should be consistent and seen to be so by the pupils involved. All disciplinary procedures should be consistent with our Mission Statement. In our Catholic school, each child must feel valued as part of a caring, loving community.*
- Good behaviour and personal success will be rewarded and celebrated – *Merit awards and stickers are given and more emphasis is placed on what is good behaviour rather than what is inappropriate. Praise rather than criticism should be generous and frequent.*
- Every day must be a fresh start providing that prior behaviour has been dealt with - *teachers should aim to deliver good news to parents regularly either through the reading / homework diary or through face to face contact. This makes it easier to engage with parents should the need arise for matters that are not so positive. We believe that every person in our school community has the right to expect and receive respect.*

Aims of this Policy

We aim to create an environment that:

Behaviour for Learning

Successful learning is a responsibility shared by all pupils, staff, parents, carers and visitors. Pupils are encouraged and challenged in their learning as they strive for excellence. We are committed to helping each pupil to develop personal responsibility in school, by respecting self, others and all of God's creation. All children are encouraged to be independent in the regulation of their behaviour, making good decisions and responding to their environment appropriately.

The school is committed to building the 'learning power' of every member of the school community i.e. children and adults. The school uses 'Building Learning Power' (BLP) principles to enhance learning behaviour. This is based on four key strands which focus on the individual person's:

- Resilience
- Resourcefulness
- Reciprocity (relating to others)
- Reflectiveness

These 'learning virtues' not only underpin and strengthen the way in which we learn but influence all our behaviour including how we behave towards others in our community.

Prayer and Worship

A quiet reflective atmosphere should be fostered in assemblies and at Mass. Staff and parents can lead most effectively by example, to ensure restlessness and fidgeting do not occur. Staff are asked to speak very quietly (and only when necessary) during these prayerful times.

Classroom Behaviour

At St Vincent de Paul School we have high expectations of behaviour within the classroom, which reflects our key principles. We expect all staff to speak to children calmly, even when behaviour exhibited may not be acceptable. Children exhibiting extreme inappropriate behaviour are usually experiencing great anxiety and stress and need the reassurance of a calm adult to help them recover from the situation.

Should a member of staff need further adult assistance they may use the 'green' card to summon help or call the main office on the internal phone system.

Throughout the school we use a simple traffic light system based on coloured cards to help ensure that all pupils respond to the challenging behaviour standards agreed.

Warning/Amber	Red	Referral to Headteacher
Telling Tales Noisy e.g. talking/shouting Failing to keep on task Unkind remarks Bad language (one off) Time wasting Pushing in line Non-uniform/Jewellery	Disobedience to a reasonable instruction/disregarding staff Consistently shouting or calling out Answering back/rudeness to staff Distracting others from learning Deliberately damaging resources/spoiling others work Spitting	Fighting/biting/kicking/ hitting Stealing Physical/verbal outbursts Vandalism e.g. extreme damage to school property Leaving without permission Threatening/ aggressive Behaviour Racist / sexist / homophobic comments Forming gangs/bullying Persistent distraction of other children's learning Premeditated physical violence

Playground Behaviour

Pupils are expected to play without aggression or interfering with each other's games. Play equipment is provided for pupils at lunchtime and pupils are required to treat Supervisory staff with the same courtesy they extend to all other members of staff. Serious incidents of breaktime misbehaviour should be recorded and reported to the Deputy Head (INCo) or Headteacher or other member of the SLT.

Bullying

The School Behaviour Policy is designed to promote self-discipline and a proper regard for authority among pupils. All activities within the school must encourage good

behaviour and respect for others. Bullying of any kind will not be tolerated. Every child and adult in our school has the right to feel safe. Bullying and hurtful behaviour infringes that right and will not be tolerated.

(Please refer to the Anti-Bullying Policy).

Sanctions

Parents will be informed of any behaviour which causes concern. The home-school partnership is especially effective when a child knows parents and teachers are working together. Parents are expected to support the school's approach, working with the school to ensure continuity and successful outcomes.

Even in a well-ordered community, it may be necessary for sanctions to be applied from time to time. In all disciplinary actions it is essential that the pupil understands fully that it is the behaviour which is not acceptable rather than the pupil as a person.

In our school the following sanctions may be applied and incidents recorded at the discretion of the adult in charge:

- During a break times - time out
- Report to the Headteacher/Deputy Headteacher/Class Teacher
- Involvement of parents
- Removal from the group
- Withdrawal from lunch or break time privileges
- Carrying out a suitable task in school

If a pupil's behaviour indicates that they are putting their own safety or that of others at risk they may be excluded from certain activities which are not curriculum based. As a very last resort when other sanctions have been exhausted, have not had impact or according to the severity of the incident an exclusion will be considered.

Exclusion (fixed term or permanent - includes lunchtime exclusion)

Incidents which may lead to exclusion include acts of violence and threats against other children or adults e.g., kicking, hitting, punching, spitting, verbal abuse, carrying of a weapon or persistent refusal to co-operate with staff requests. In particular where this would endanger their health and safety or cause detrimental effect to the wellbeing of others, eg, leaving the classroom without permission, refusing to stop an act of violence, the length of exclusion will be determined by the severity of the offence. Deliberate and frequent disruption to classroom learning will be treated as detrimental to other children's wellbeing and as a refusal to follow instructions.

Exclusion may only be initiated by the Headteacher or designated leader in their absence and must be recorded formally according to LA procedures.

Where a pupil is at serious risk of permanent exclusion, a pastoral support programme must be set up as soon as the risk is identified.

The Hertfordshire Guidelines on Pupil Exclusion (including lunchtime exclusions) must be followed.
