## This week more pupils returned to school and joined their “Bubbles”!

Year Six pupils commented:

“I was excited about going back to school and seeing people face-to-face”

*I was a bit worried about school because of the new rules but when I got there it was a nice feeling to be back; we talked and had fun!*

“SEEING PEOPLE AT SCHOOL SHOWS HOW, AFTER ALL OF THIS, WE STILL HAVE OUR FRIENDSHIPS”

“At first I was a bit nervous because I haven’t been at school for a long time but I was very excited to see my friends again”

*“On the first day coming to school I felt nervous because we had a lot to catch up on and soon we will be going to secondary school. When we got to school it felt very strange to see our tables set up as if it were a test. It was very hard to socially distance as we are meant to be role models for the rest of the school.”*

## LOCKDOWN

Lockdown is amazing  
because  
you can play games all day.  
And I refuse to believe that  
People are sad because they can't see their  
friends.  
Always remember that  
you can spend fun time with your family.  
I will not let people tell me that  
Riding bikes isn't fun  
because  
"I hate lockdown!"

## LOCKDOWN

I HATE LOCKDOWN.  
because  
riding bikes isn't fun!  
I will not let people tell me that  
"You can spend 'fun' time with your family."  
Always remember that  
people are sad because they can't see their  
friends.  
And I refuse to believe that  
you can play games all day  
because  
lockdown is amazing!

# Having fun making nests and talking about symmetry

Welcome Ciarán who was born on 26.05.20 weighing 9lb 2oz . These two love being big brothers.

Lola decorated some stones to put down at the covid cobra snake in Grace way that children have created. It is an amazing idea and it's got huge!!!!

We really enjoyed coming to Niamh's healthy cafe from her food tech task for hummus and smoothies.

# FOR ALL THE HARRY POTTER FANS!

To help children and families during lockdown, J.K. Rowling is publishing her original story, *The Ickabog*, online for free! Set in an imaginary land, *The Ickabog* is a stand-alone fairy tale.

A new instalment of the story will be revealed daily at 3pm, Monday to Friday, throughout the course of seven weeks.

You can read the story online at [www.theickabog.com/read-the-story/](http://www.theickabog.com/read-the-story/)

Great artwork by two sisters!

What a lot of work this pupil has done, pictured here holding two of his favourite subjects – a history book about the Stone Age to Celts and a geography book about Europe.

Sam has been busy planting a pepper with seeds and hopefully it will grow into a lovely plant plus science making a penguin 🐧 with crystals; he enjoyed watching it grow within a few hours!
