**PUPIL POST**

**May 11<sup>th</sup> 2020**

Please keep sending your contributions to Mrs Sherry: [rsherry@stvincent.herts.sch.uk](mailto:rsherry@stvincent.herts.sch.uk)

***Remember not to include your names in any photographs of yourself or your family but it is fine to sign your artwork***

# VE DAY IN SCHOOL

V.E.

DAY

AT

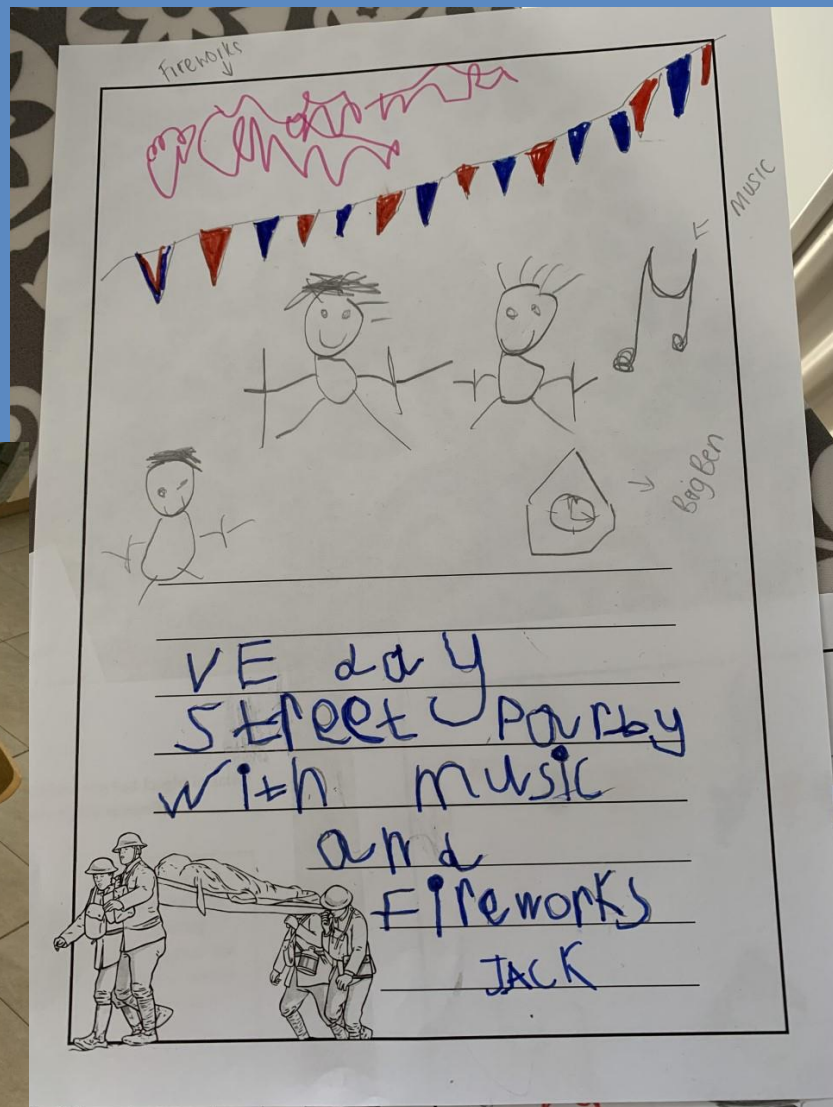

HOME

Decorated windows  
...and chocolate  
coated strawberries  
ready to enjoy

Getting ready for  
the celebrations-  
well done boys!

**SO PROUD OF HIS  
HARD WORK!**

Bunting  
blowing ...and  
a special  
message!

# V.E. DAY AFTERNOON TEA

## Star bakers!

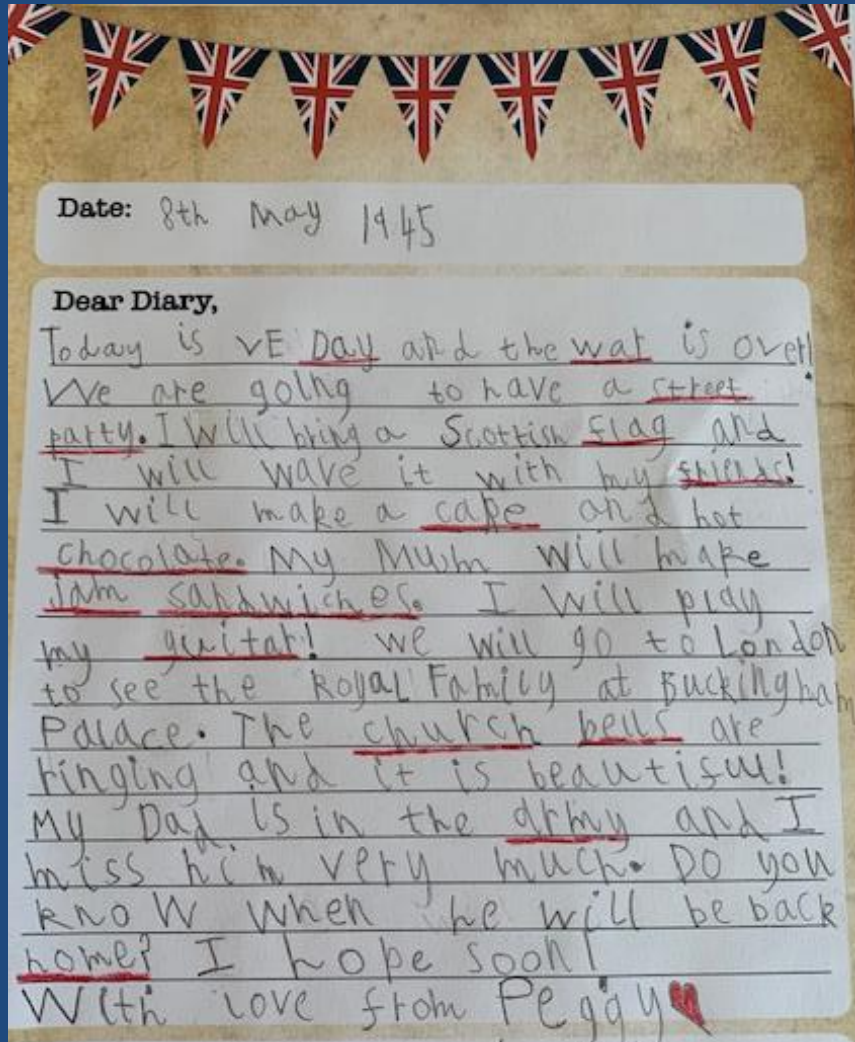

Caitlin was really proud to hoist  
this flag in celebration and  
remembrance

# A Busy VE day

# MAY is the month of MARY

Here is Grace's altar to the Virgin Mary in the Nicoli household.

They had to put it on a window sill so that her little sister cannot get to it easily

The family wish a blessed month of May to all.

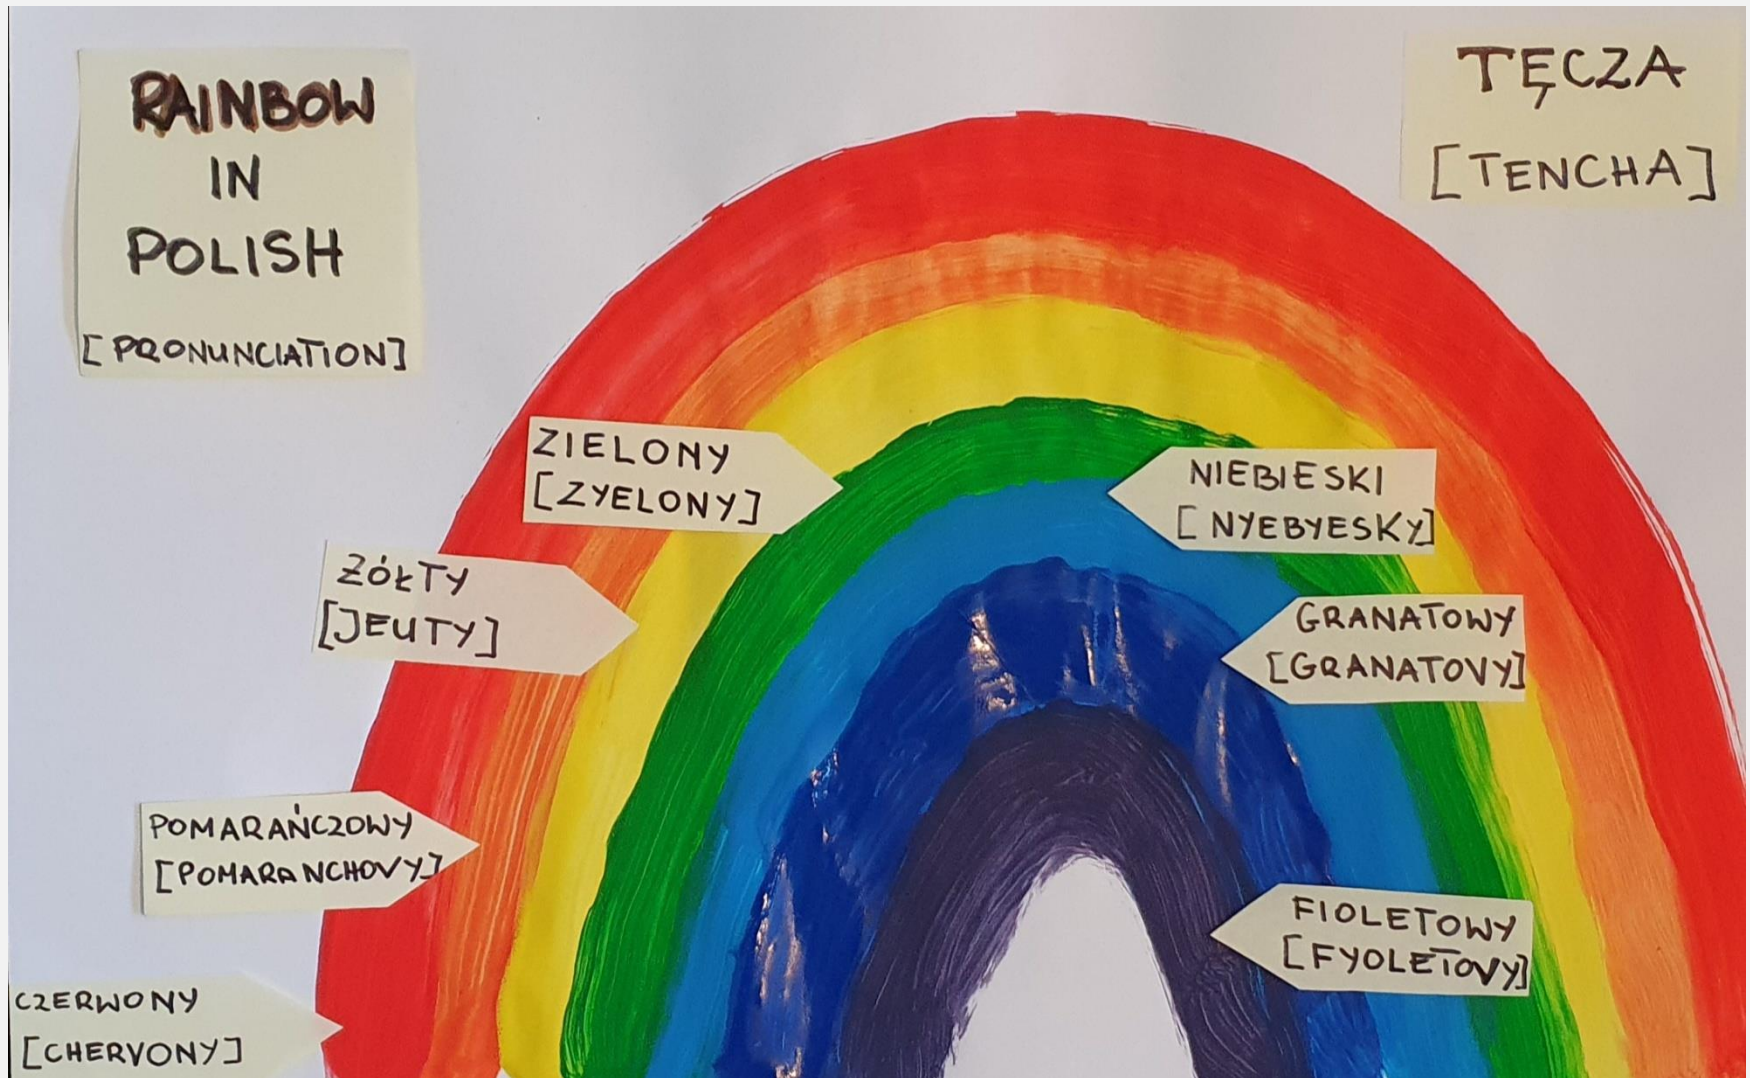

Grace's mum shared that the Coptic Church celebrate the Virgin Mary in the month of August but she still loves celebrating it in May, as they did when she was a child in Italy.

In her village they used to gather around the Virgin Mary's grotto outside the Church and recite the Rosary all together.

# Home language COLOURS of the RAIN BOW

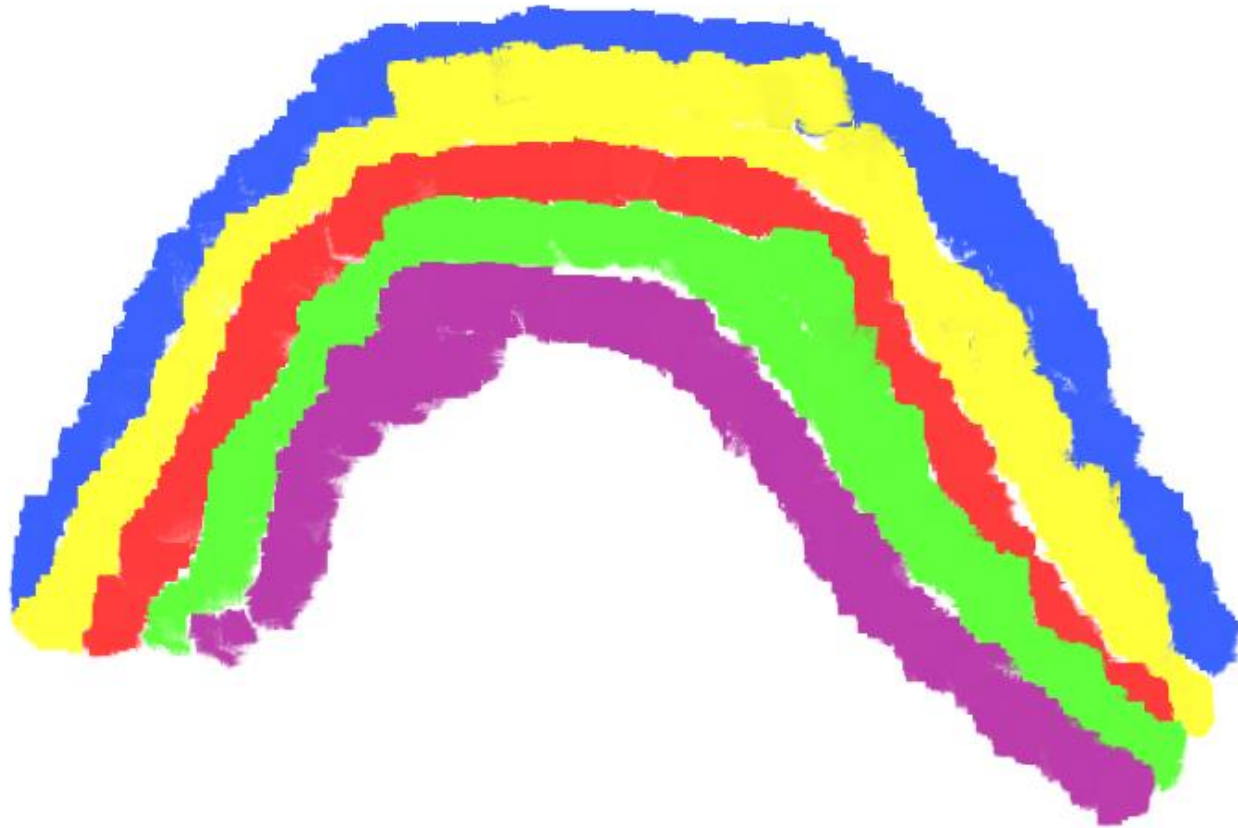

Please send to Mrs Sherry [rsherry@stvincent.herts.sch.uk](mailto:rsherry@stvincent.herts.sch.uk)

Hello Mrs. McGuire, my superhero is you and all the teachers & frontliners who take risk their life to save & help people in this time of pandemic. Thank you. 🌟🌟🌟

THANK YOU NHS, THANK YOU TEACHERS. Salute to all of you.

***Mrs McGuire was thrilled when you sent her this Julianah***

Nanny sent us this lovely rainbow t shirts.  
“Keep smiling “ they say...and we do!

# Rainbow Art

How did they do this?  
Can you work it out?

**#Community #together #BeStill #CreatingRainbows**

Someone is  
delighted with his  
Rainbow cookies!  
Yum yum!

Activities  
inspired by  
the stories  
read by the  
EYFS  
teachers on  
our YouTube  
channel

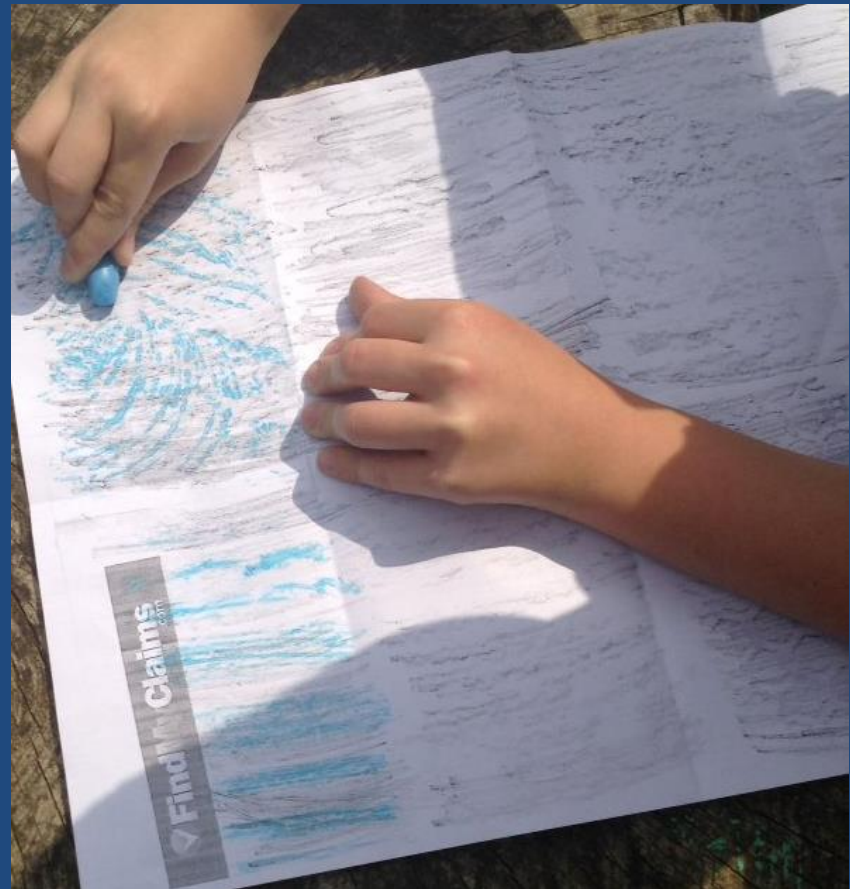

# Different celebrations

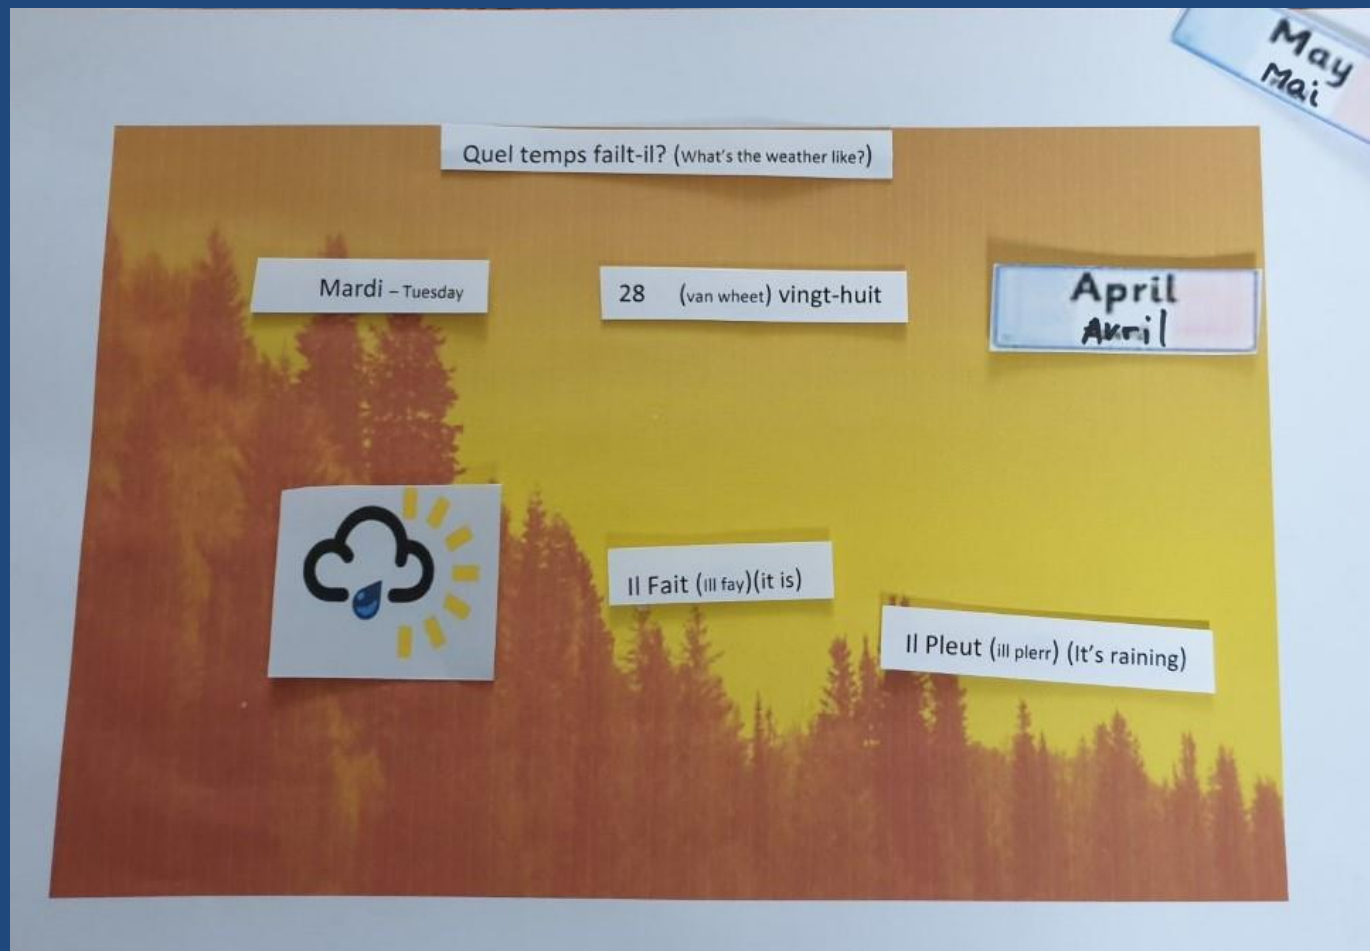

In school...but you could try this out  
and about at home

Out and about in the  
sun, having fun!

**Fantastic  
French  
Weather  
Calendar  
Isaac!  
Keep  
practising**

# Did you spot where the mystery object was in school?

Staff have been trying to identify a mystery item from school in their daily email

Trampoline  
fun to keep fit,  
love it when  
mum throws a  
ball at me to  
dodge

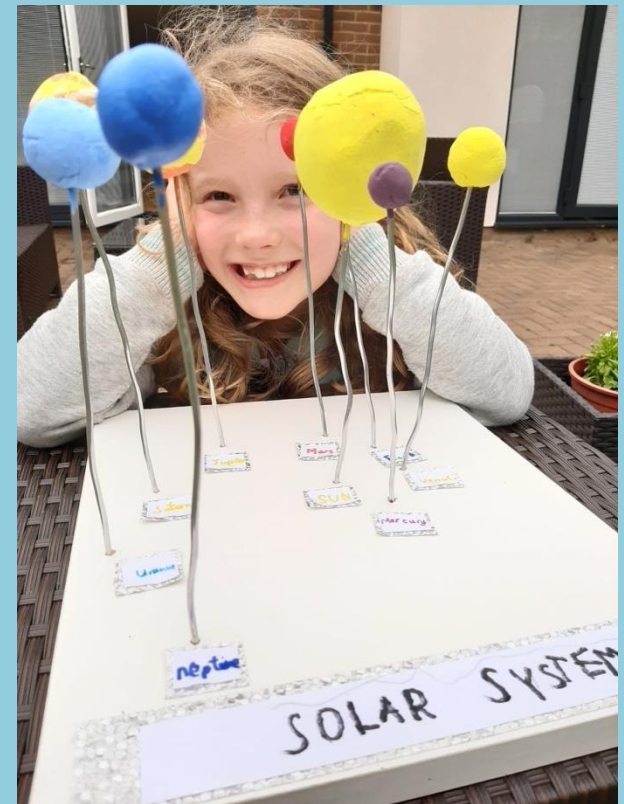

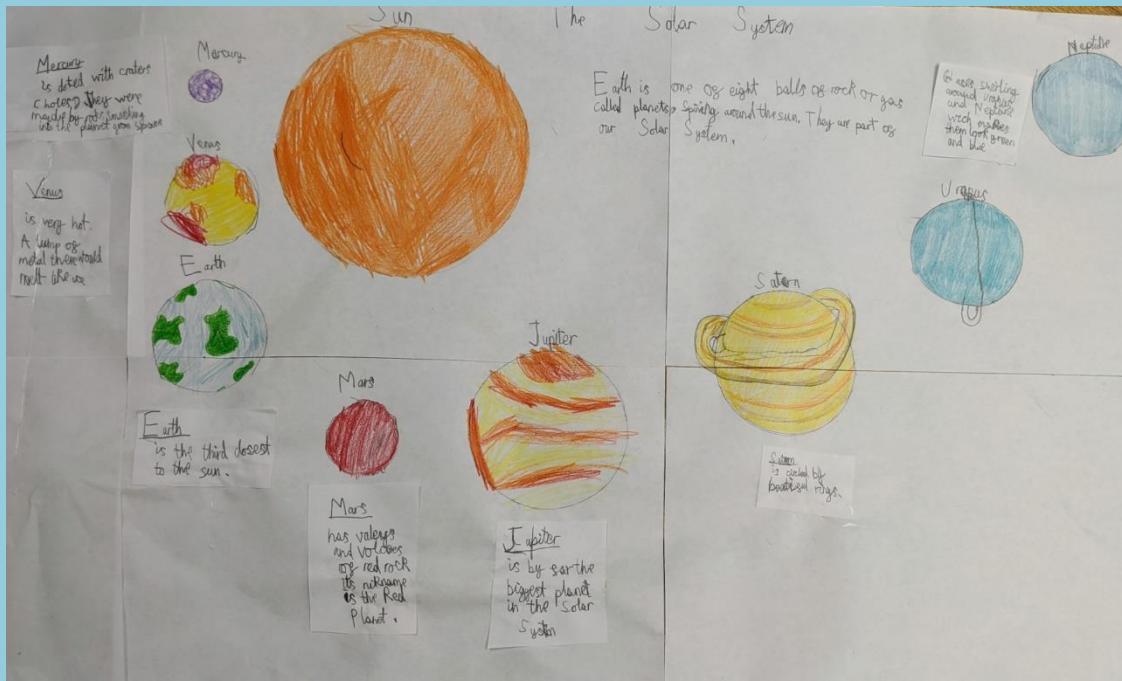

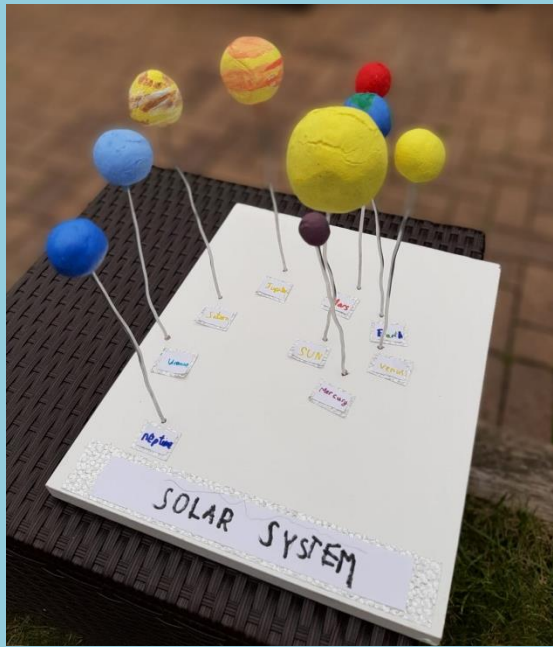

Guess  
who  
loves  
art?

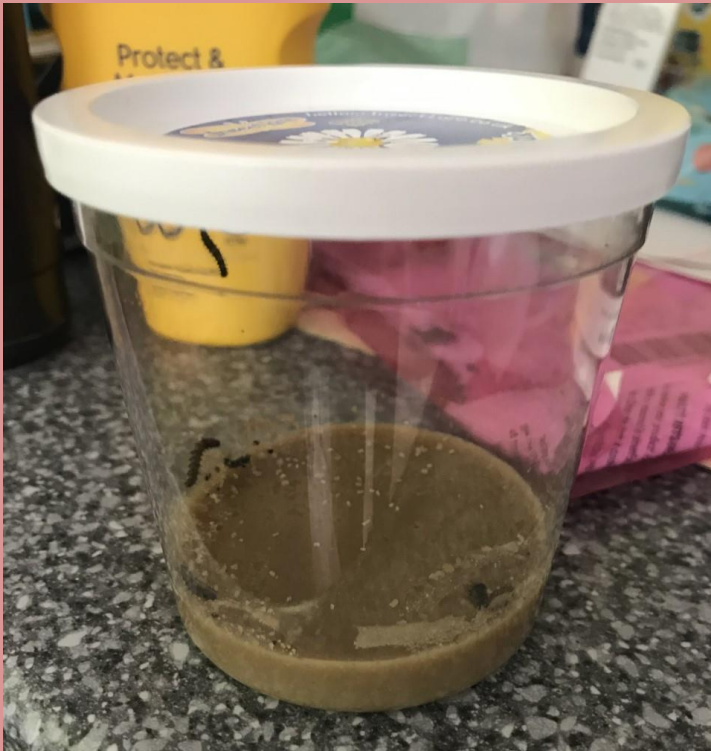

# Salt dough solar system for a Space project

There may not be any  
caterpillars in Nursery  
this term but someone  
will be seeing butterflies  
soon

# Paper Plate Caterpillar

This has been an  
"art jumpstart"  
by Darrell Wakelam

... instructions on next photo

\* This idea is another 'Pure Make', this means that you can use every part of the original materials without wasting anything or throwing anything away.

1 - Cut the middle out of a paper plate.

2 - Cut the rim into one half and two quarters like this ...

3 - Cut slits on the inside edge of the rim and pull these together to make it more 3D ...

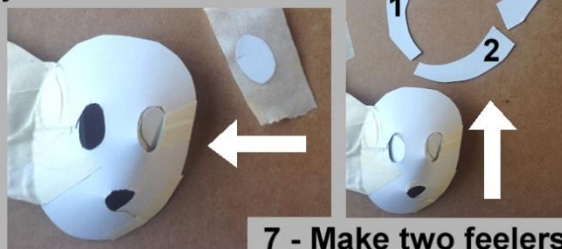

... then arrange it like this.

4 - Cut an oval shape from the centre circle of the plate ... keep the rest.

5 - Cut a mouth and eyes from this oval.

6 - Pull the head into a 3D shape and stick the eyes back in.

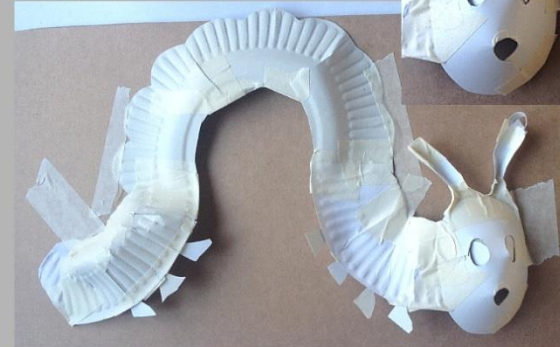

7 - Make two feelers

8 - Cut the last bits into triangles to make feet.

9 - Remember ... if you have got any little bits of plate left, try to use them, I've made the feelers on mine a bit stronger.

10 - Now it's ready to paint
