Ellen decorated and hid these stones for others to find when they are out having their daily exercise.

Have you spotted interesting posters, pictures...even teddies on your travels?

# Yoghurt Tub Tiger

This has been an  
"art jumpstart"  
by Darrell Wakelam

... instructions on next photo

1 - If you don't have a 'split' tub ask an adult to help cut a margarine tub.

2 - Cut two ear shapes from card, slit them and pull into a 3D shape and attach.

3 - Make fur to go inside the ears.

4 - Make more fur for the top and the sides.

5 - Roll foil up for eyes, and make card eyelids.

6 - Make a card 'muzzle' and a furry chin.

7 - Then make a nose, and some sharp teeth.

8 - Glue on scrap card for more fur ... and maybe whiskers?

9 - Always paint lighter colours on first ...

... before adding the details.
