# #Community #together #BeStill #CreatingRainbows

Welcome to a different style of Pupil Post. We hope you will all enjoy seeing what others are up to while we cannot all be together.

Many of you will have been creative like the 11 year old who drew this picture.

Please send to Mrs Sherry:

***Remember not to include your names in any photographs of yourself or your family but it is fine to sign your artwork!***

Some of you have already been sharing  
and surprising staff!

# Ready to surprise a big sister for her 18<sup>th</sup> birthday

Many families will be celebrating birthdays, anniversaries and other events in a much quieter way; maybe we could share your celebrations here?

Thinking of everyone.

One family discovered this wonderful junk modelling artist- see next page for instructions!

1 - Cut this shape out of an egg box.

Keep the other pieces for later.

2 - Cut the middle out . . .

. . . if it rips, just stick it back together.

3 - Out of the extra pieces cut two semi-circles and join them together . . .

. . . then attach this to the face.

4 - Then add a chin, teeth and some whiskers. Glue these first then add tape to hold them on.

You could use the left-overs . . . I've made some goggles!

OF THE CURSE. BE POSITIVE, STAY  
STRONG, AND GET ENOUGH REST.

YOU CAN'T DO IT ALL,  
BUT YOU CAN DO YOUR BEST.
