Year 2 helping each other to find out about sharks. *Did you know sharks have some of the strongest jaws in the animal kingdom?*

Reception are super busy doing phonics and so proud of how well we can write our letters and spell CVC and tricky words.

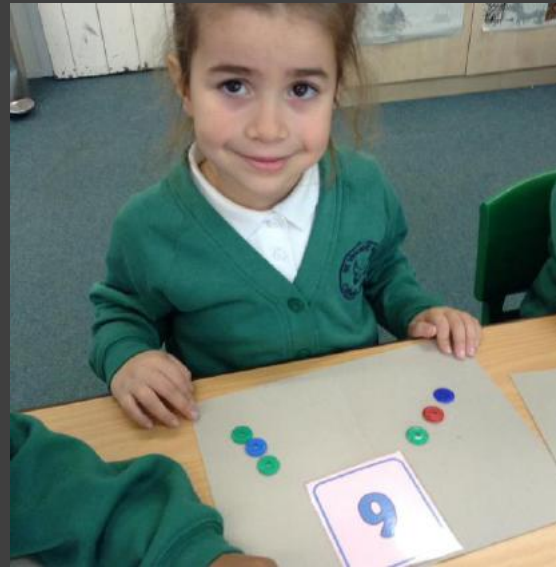

A debate in Y3 about why we thought Stonehenge was built. Based on the evidence we voted it was a place of healing.

Year 5 have been looking at synonyms.  
It's been fun to use our thesaurus to help us.

In Year One, doubling and halving has been the theme for the week in Maths.

The children have enjoyed investigating numbers using a range of resources!

Choices		
Choices I make that I can change.	How I can show, I can forgive someone who made a choice, that affected me.	Strategies I can use to improve my choices
I've done secret reading in the night. I can change my choice by confessing and put my book back.	By forgiving them if they ask for it.	By copying good examples.
I've lied to someone. I can correct that decision by telling the truth.	By being kind to them and forgetting it.	By doing what
I've argued with my brother. I can apologise and ask for forgiveness.		

## YEAR 3 HAVE STARTED THEIR NEW RE TOPIC 'RECONCILIATION'

We talked about choices we make, good or bad, and ways we can make our choices better.

One of those was W.W.J.D. (What Would Jesus Do?)

We made wrist bands to help with our choices and we know Mrs Sherry will enjoy seeing them.

Role playing  
story time  
with the  
book  
“Goldilocks  
and Just the  
One Bear”.

Year Six are using Chrome Books and iPads to research the history of Stevenage.

Learning about electrical circuits in Year Six.

In connection with our story, The Three Little Pigs, the Year One children designed and built houses using different materials.

Having an idea in mind (recalling a strategy an adult modelled last week), a bigger circle was needed.

*"It's daddy bear!"*

We were also talking about  
the shapes.

*"It's a big circle!"*

*"I've got three circles!"*

Exploring and investigating magnets in Nursery ... and LOTS of birthdays!

# Paper Weaving in Year 2

A huge 'thank  
you' to a  
generous family  
that sent these  
into school.  
They are very  
much  
appreciated.

# THE GOSPEL IN CHURCH

## Sunday 16<sup>th</sup> January 2022

There was a wedding at Cana in Galilee. The mother of Jesus was there with Jesus and his disciples. When they ran out of wine, the mother of Jesus said to him, "They have no wine." Jesus said, "Woman why turn to me? My hour has not come yet." His mother said to the servants, "Do whatever he tells you." There were six stone water jars standing there; each could hold twenty or thirty gallons. Jesus said to the servants, "Fill the jars with water," and they filled them to the brim. "Draw some out now," he told them, "and take it to the steward." They did this; the steward tasted the water, and it had turned into the best wine. This was the first of the signs given by Jesus: it was given at Cana in Galilee. He let his glory be seen, and his disciples believed in him.

The 2<sup>nd</sup> Sunday in Ordinary Time, Year C

"If we are close to Jesus, we will have joy in our hearts and a smile on our face." *Pope Francis*

Please  
read and  
reflect  
upon  
today's  
gospel  
together

Dear Lord Jesus, please help our family to experience the **joy** that you bring, and to share that **joy** with all those that we meet. Amen.
