The children enjoyed making use of their play equipment!

Lending a helping hand!

Reception really enjoyed going on a bug hunt

Reception were super excited to start our new topic of minibeasts!

They loved investigating the Minibeasts Investigation Lab

Here are some of the Reception Nature detectives. They went on a 'Minibeast Hunt' around the school environment and spotted almost all the mini beasts on the list.

HAVING THEIR OWN IDEAS.

“Look...we built a swimming pool,”

[That looks like a swimming pool. How can you test your design?]

“It’s leaking!”

[You need to think about your design. What can you do to stop the leaking?]

We met in person for our Wednesday Word Key stage assemblies; *it's been a long time!* **ALLELUIA!**

It was beautiful to reinstate a physical 'going forth' with the Gospel to our classes and of course the birthday pencils!

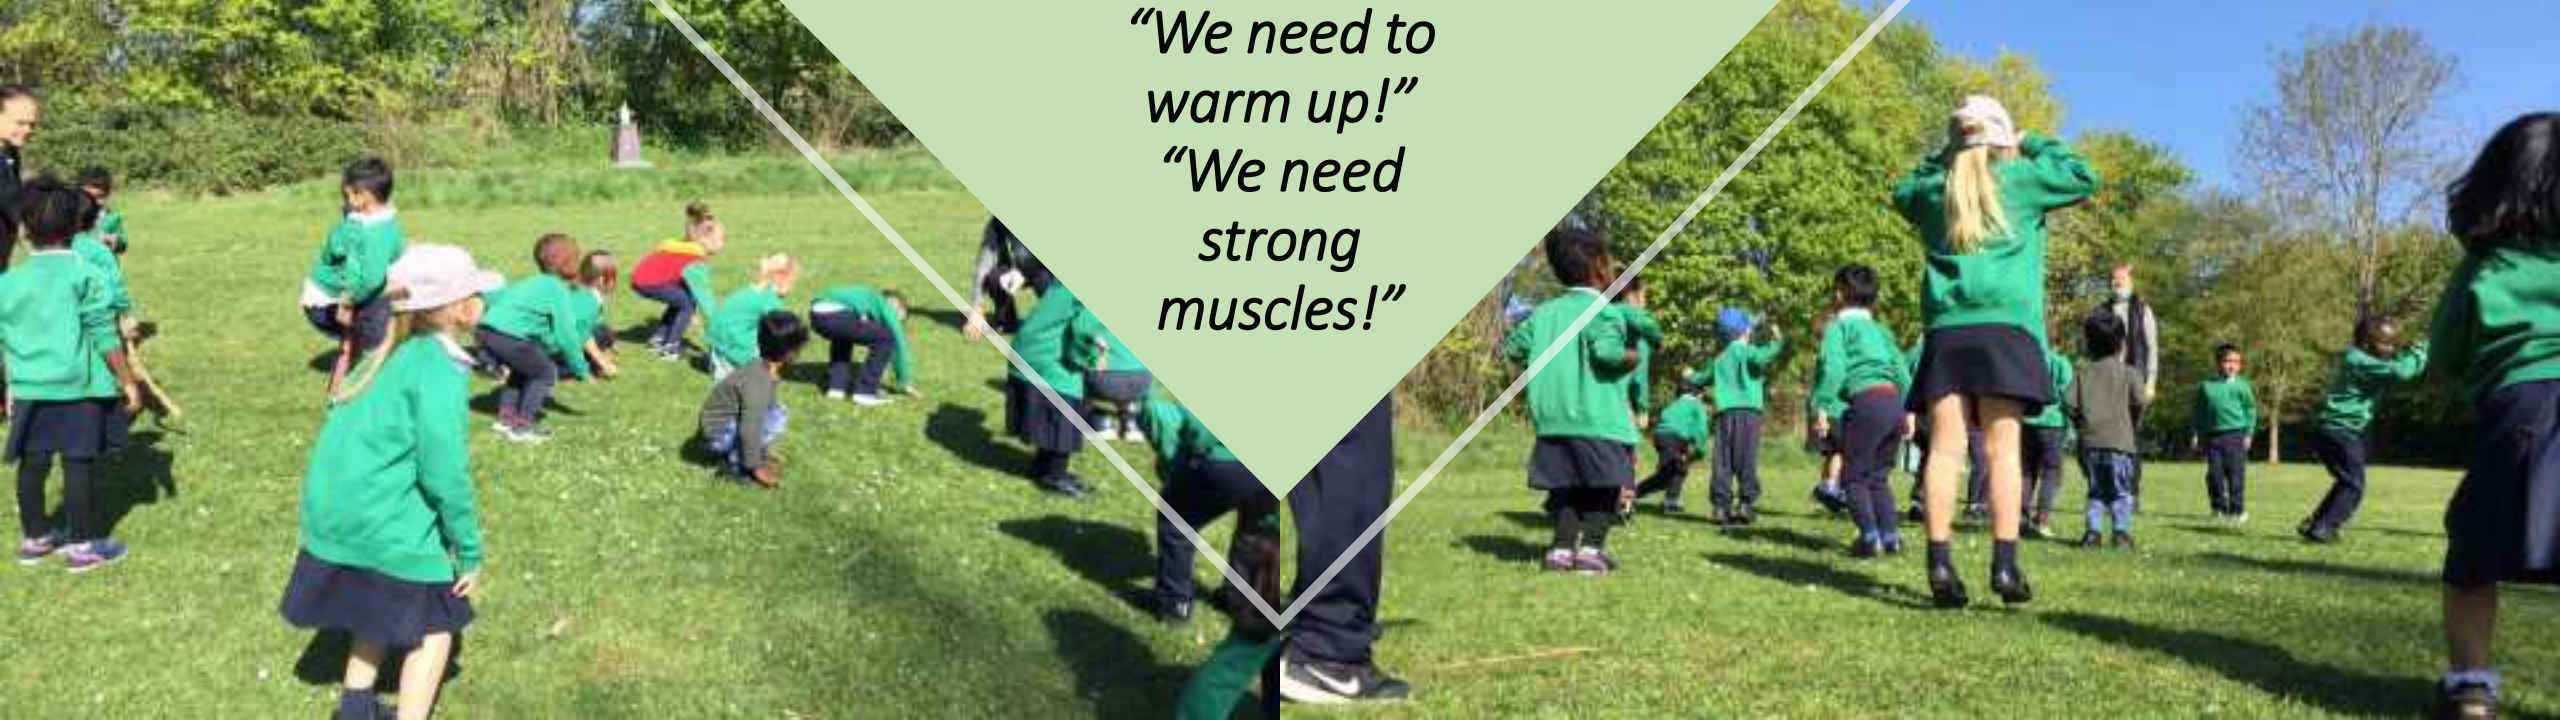

Great excitement in Year One as we awaited the big reveal. Some children made guesses as some helped unwrap. Thank you Mr. White and Mrs Lorimer for our two new learning sheds.

Watch out for the next big question - what will go inside?!

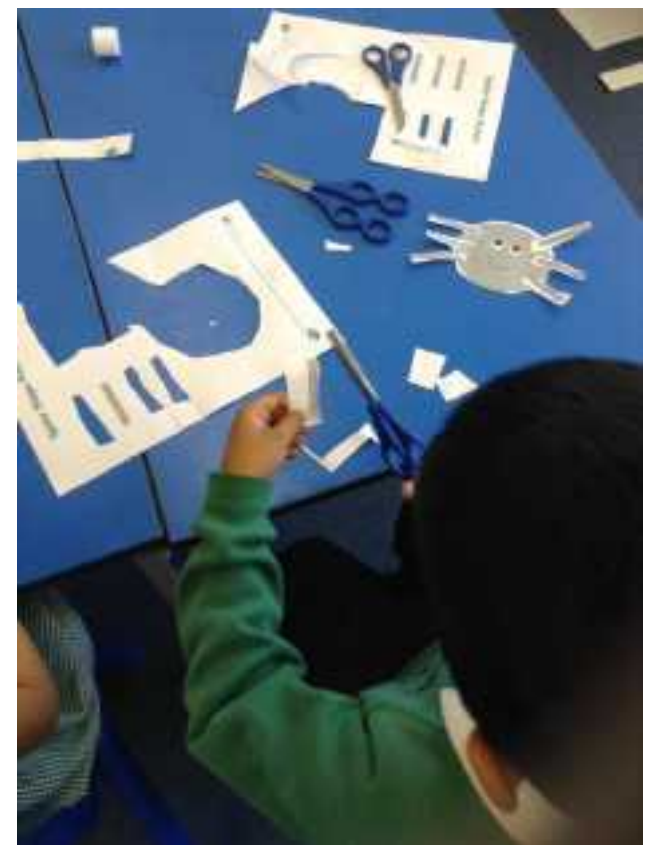

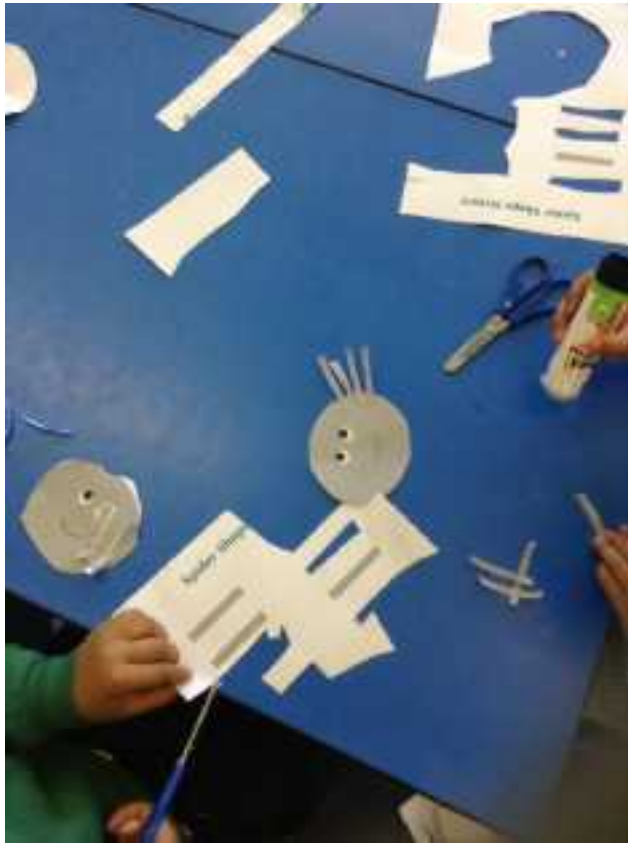

Warning up
is
important
before we run!

*"We need to
warm up!"
"We need
strong
muscles!"*

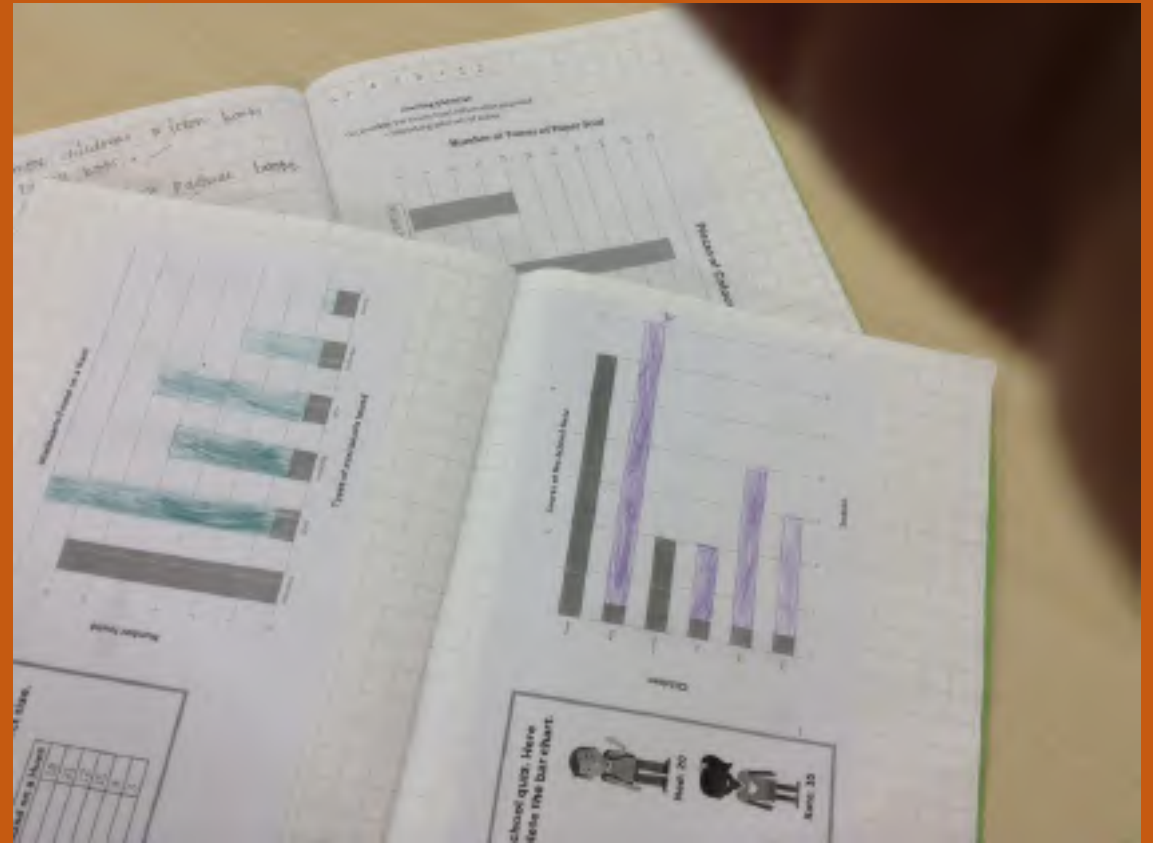

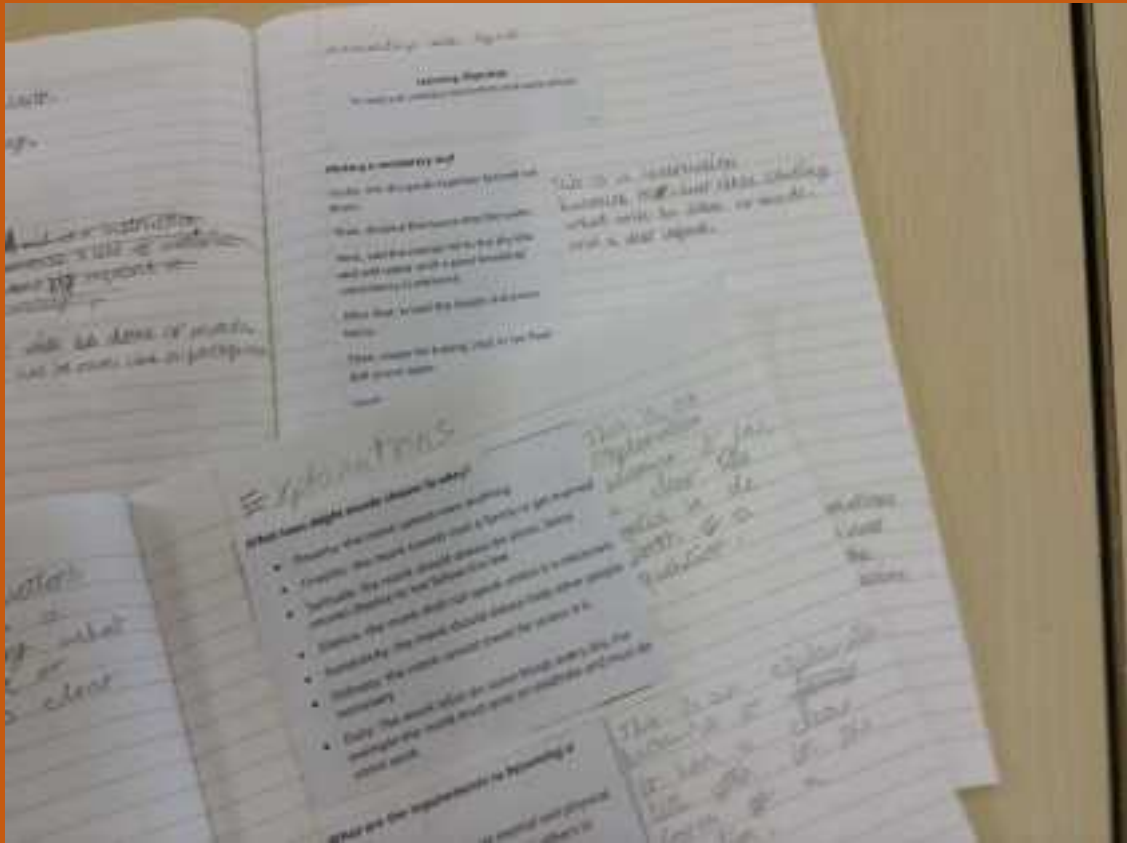

Reception practised drawing mini beasts at 'Busy Fingers' time.

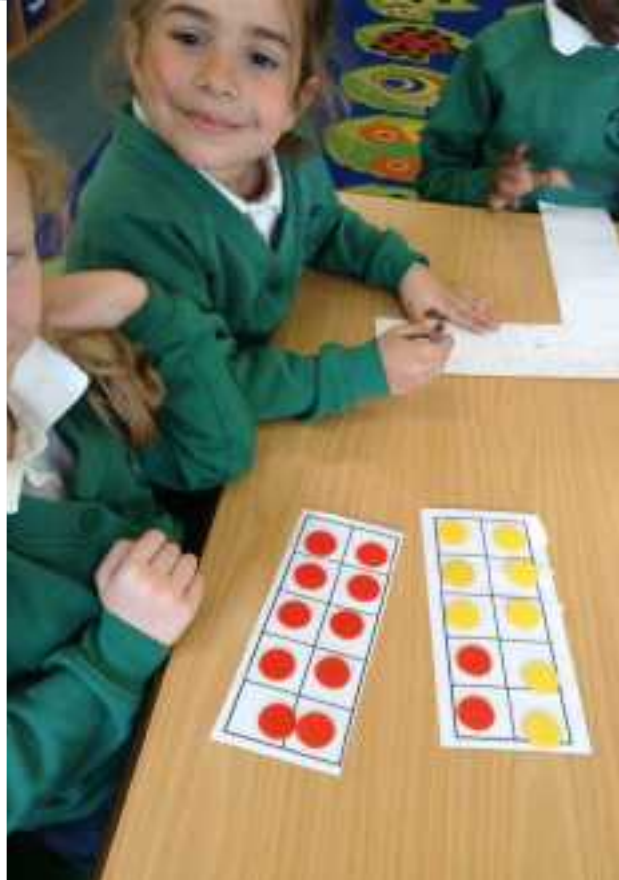

Another day, we also developed our cutting skills during Busy Fingers time

In Year 3 we were comparing instructions with explanations in our English unit and working on bar charts in Maths.

Year One were exploring number bonds to 20, working methodically, using a tens frame.

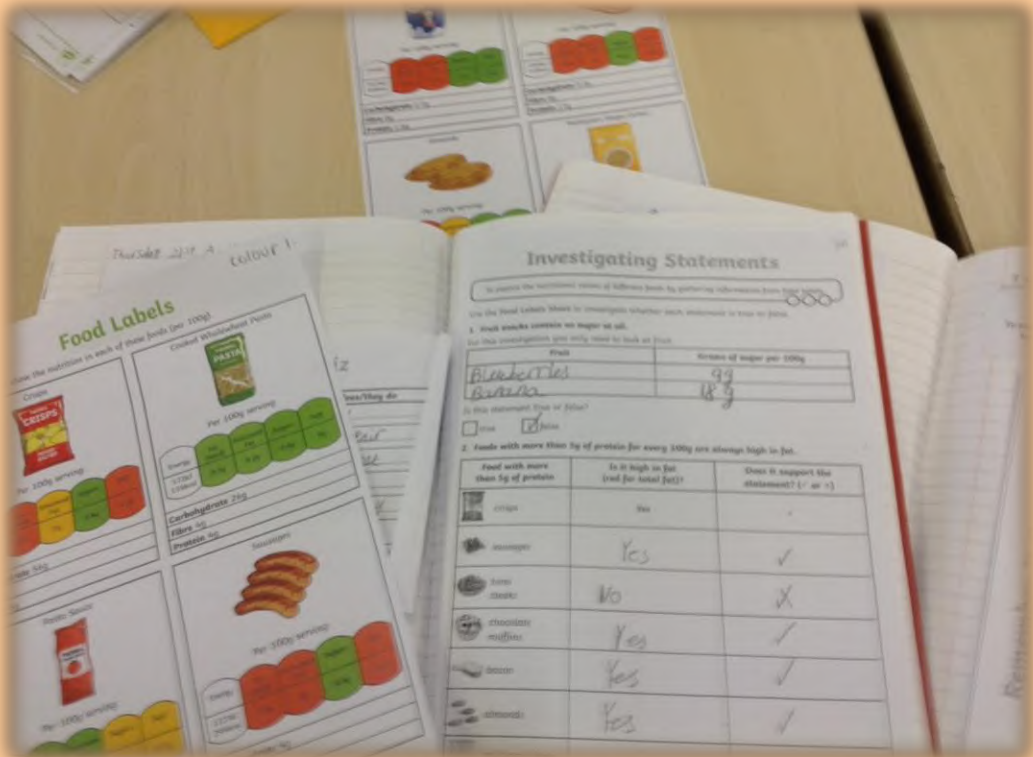

The Nursery children have been exploring colour and shape:
“Red and yellow makes orange!”

Exploring colour continued outside

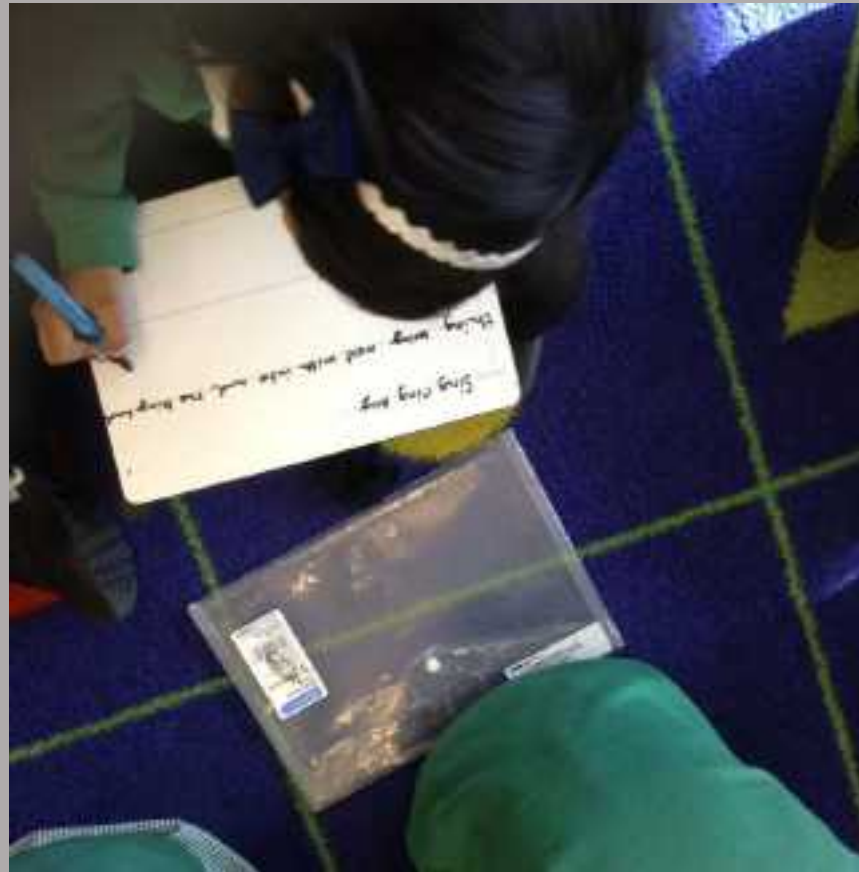

Year 5 has been learning how to use the count of 4 to keep our beat in time and Year 3 investigated statements about nutritional values from food labels.

Great number
writing in
Reception.

They are also
working super
hard to get their
writing to sit on
the lines.

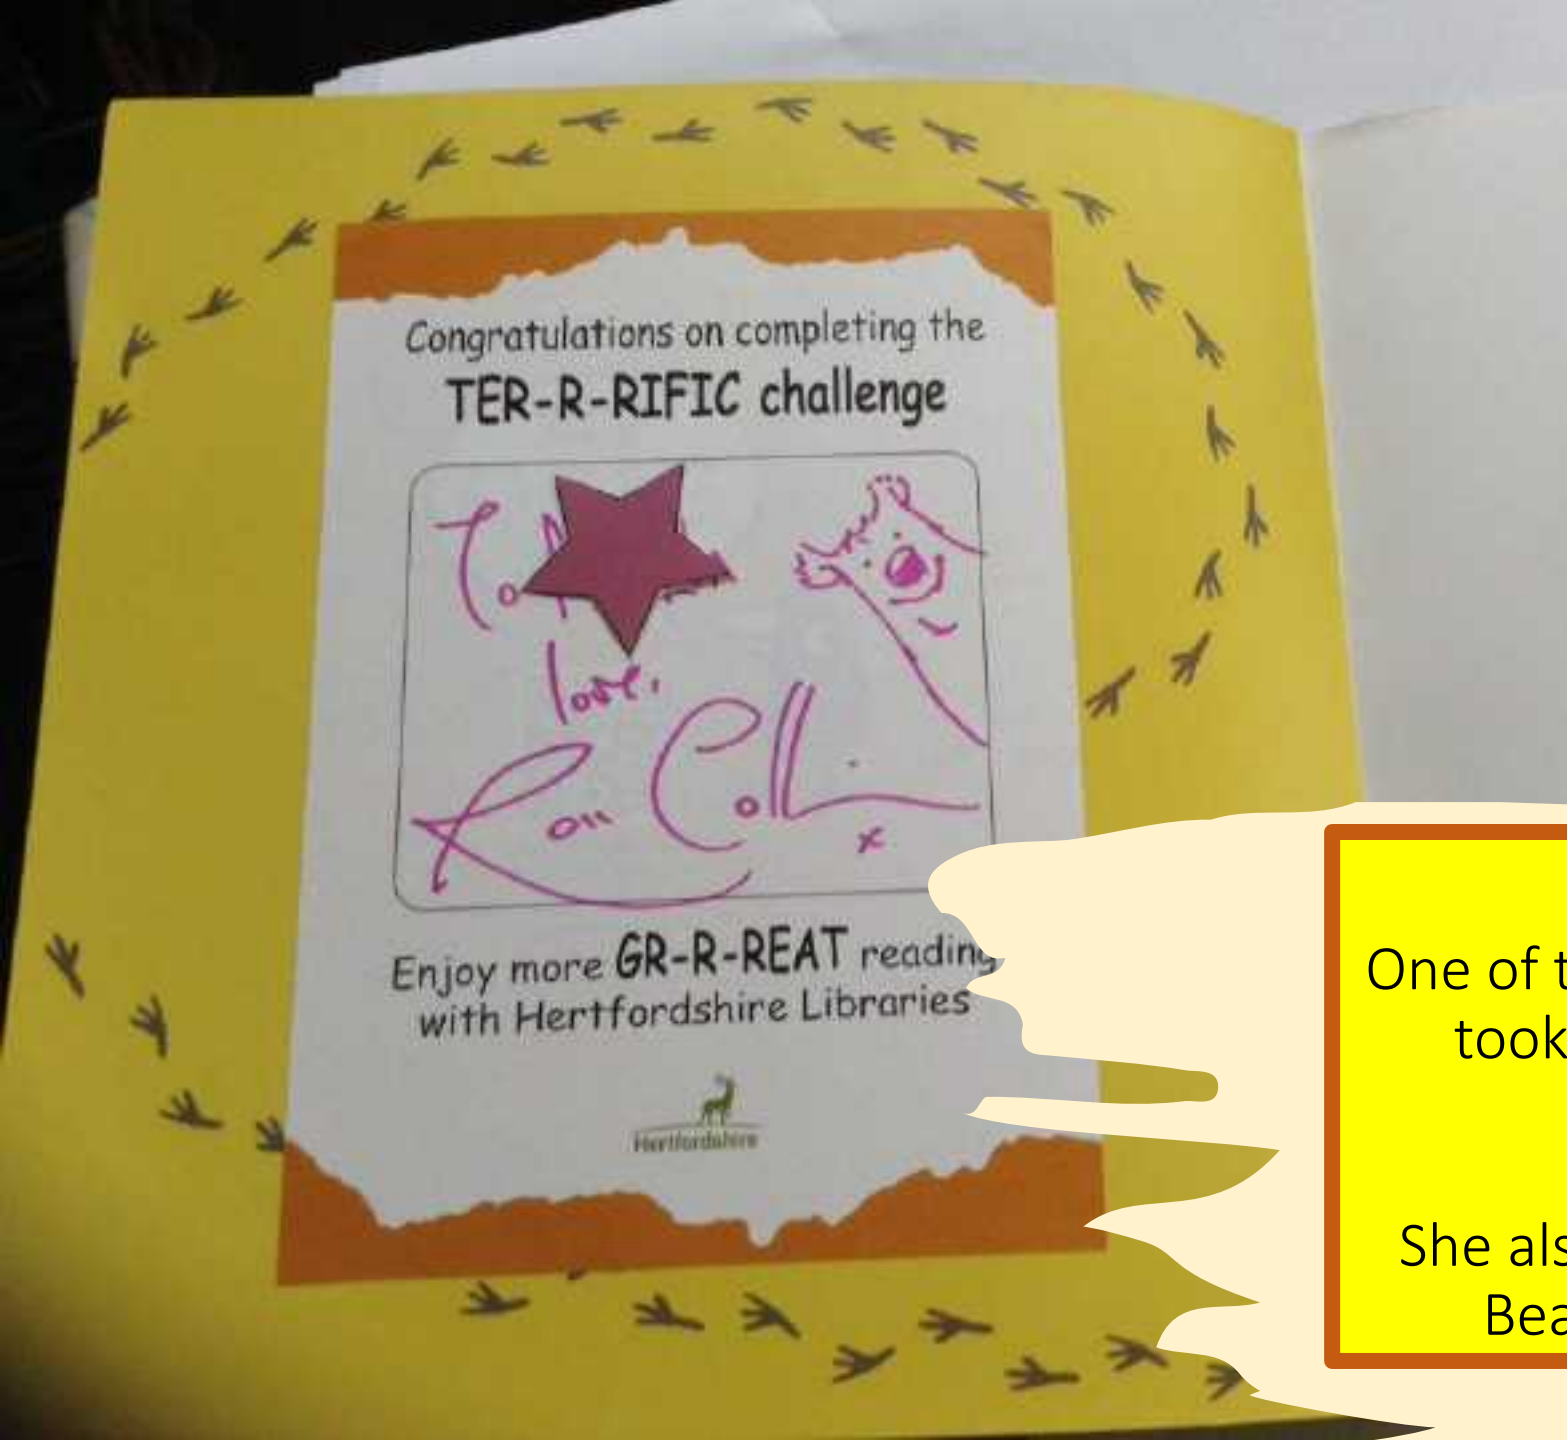

Y6 explored cross breeding in dogs as part of our evolution and inheritance topic in science; they also took their reading books to our lovely woodland walk and spent some quiet time enjoying our beautiful surroundings.

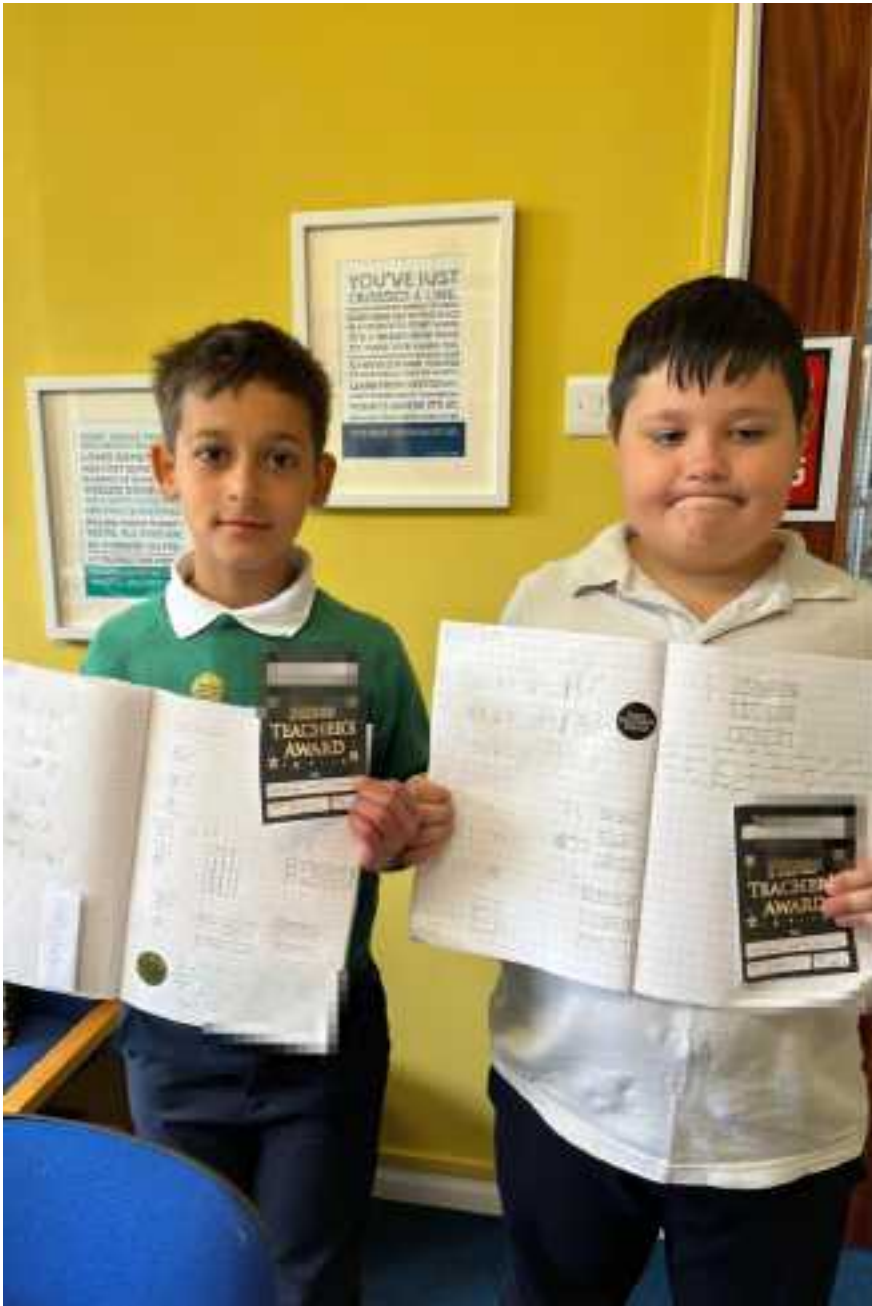

Year 4 enjoying their challenging PE lesson.

One of the children in Reception O'Connor took part and completed the library challenge last term.

She also won a signed copy of 'There's a Bear on my Chair' by Ross Collins.

Sent by a friend of the school visiting Paris: the chapel of St Vincent de Paul in the Sacré Coeur Basilica

CHAPELLE SAINT-VINCENT DE PAUL

Fondateur à Paris des prêtres de la Mission et des filles de la Charité (1581-1660), venu à Montmartre se ressourcer dans la prière.

Elle nous rappelle qu'Alexandre Legentil (1821-1889) et Hubert Rohault de Fleury (1828-1910), initiateurs du Vœu national, furent des membres actifs des conférences de Saint-Vincent de Paul, fondées par Frédéric Ozanam au service des pauvres. Elles soutiendront en 1870 le projet de la construction d'une église votive à Paris.

The disciples were gathered in a room. They had locked the doors because they were afraid of the people who had crucified Jesus. Jesus came and stood among them and said, "Peace be with you!" and he showed them the wounds in his hands and his side. Thomas, one of the disciples, was not there when Jesus came and he refused to believe what had happened. One week later, they were in the room again, and Thomas was also there. Jesus came and stood among them and said, "Peace be with you!" Then he said to Thomas, "Here, touch the marks on my hands and feel the wound in my side. Doubt no longer, but believe." Thomas replied, "My Lord and my God!" Jesus said to him, "You believe because you have seen me. Blessed are those who have not seen me and yet believe!"

"We all have in our hearts some areas of unbelief. Let us say to the Lord: I believe!" *Pope Francis*

Dear Lord Jesus, please help our **belief** in you to grow, through recognising your presence in the loving words and actions of those around us. Amen.

Lord,
turn our rebellious hearts to your own heart,
so that we may learn to pursue plans of peace.
Inspire adversaries to shake hands,
and taste mutual forgiveness.
Disarm the hand of brother raised against brother,
so that where there is hatred, concord may flourish.
Grant that we never act as enemies of the cross of Christ,
so that we may share in the glory of his resurrection. Amen.

Franciscus
