

PUPIL POST

May 22nd 2022
6th Sunday of Easter

Blessed Virgin Mary,
intercede for us, to
untie the knots in our
lives so that we may be
ever closer to God.

“I’m making a flower
for Mother Mary!”

Mary, undoer of knots, pray for us.
Reflecting, thinking of our families and those we care about

Super work fixing the cars in the Reception garage!

Year 2 warming up
for their gymnastics
lesson on balances
and rolls in a
sequence.

Just a simple box!
Who's in the box?

Watch the video:
https://twitter.com/svdp_school/status/1526499623019458560

Using large-muscle movements to wave streamers,
practising anti-clockwise rotation and having FUN!
"I shared my ribbon, taking turns!"

The children in Year Six are preparing to celebrate the Platinum Jubilee.

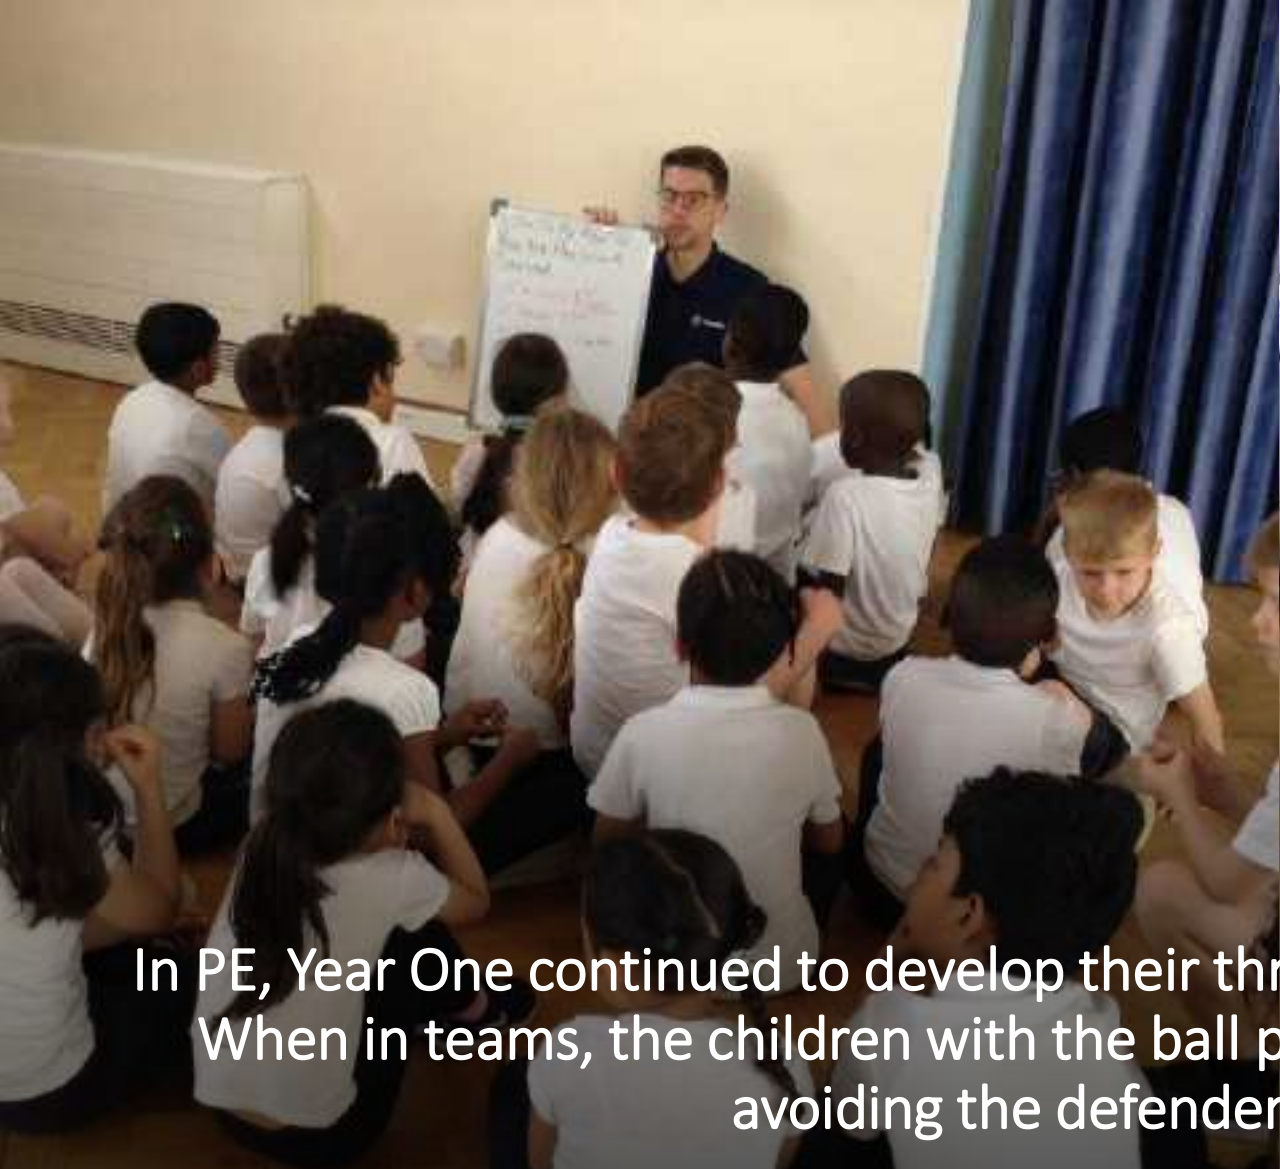

Each child is making a triangle of bunting for our Platinum Jubilee celebrations - this one is absolutely stunning!

Playing shops and enjoying using real pennies.

Watch a little problem solving going on here: https://twitter.com/svdp_school/status/1526548987830013954

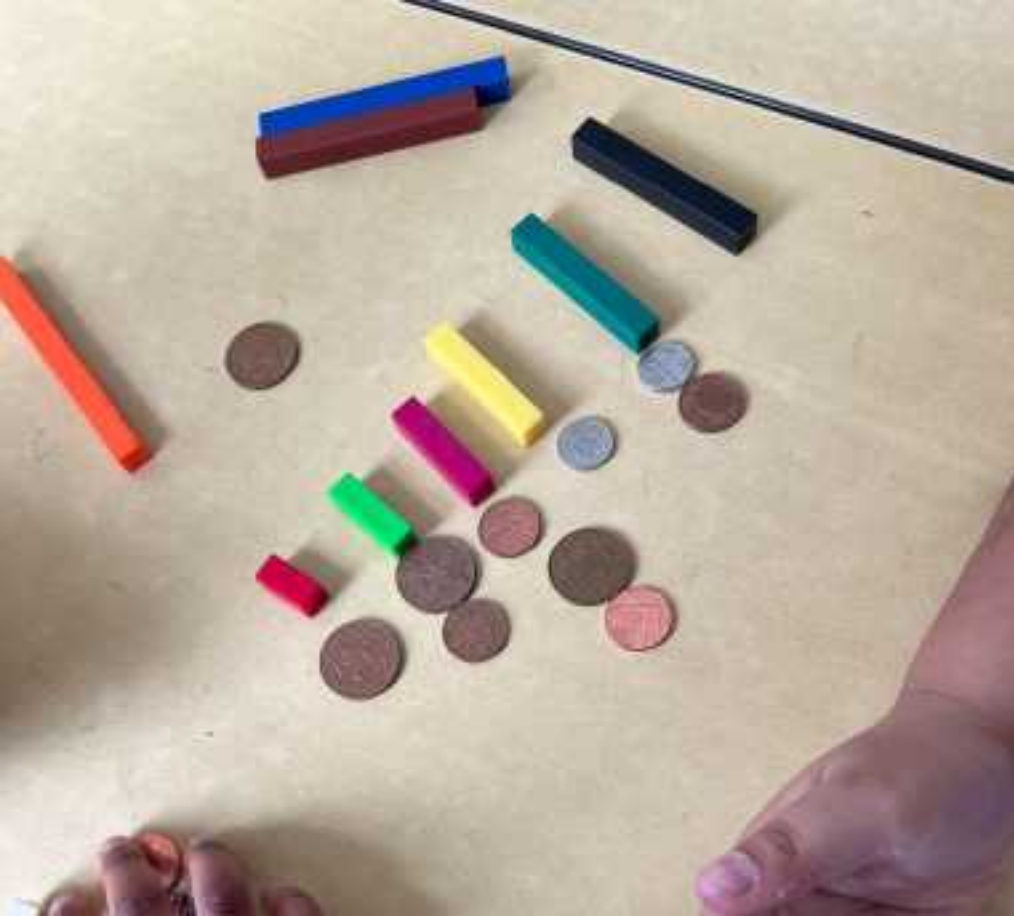

In PE, Year One continued to develop their throwing and catching skills. When in teams, the children with the ball passed to other players, avoiding the defenders.

In Maths this week, the Year One children have been learning about money. They have identified coins by their differing features, investigated the value of coins using Numicon and counted in 2s, 5s and 10s.

Next, Year 1 used Cuisenaire rods to support their learning, exploring the value of coins and thinking about ways to make different amounts.

We enjoyed sharing our
KS2 Wednesday Word
assembly with Mr.
Mathew from the Saint
John Henry Newman
School with a theme of
inner peace; we even
learnt a hymn with a
Japanese chorus ...
'Ki ri su to no he i wa ga'

...

**'May the peace of Christ
be with you'.**

And,
as usual,
we 'go forth'
with great joy, following
the Gospel back to our
classes ready to live the
Word.

We love singing and
moving to
'My Lighthouse'.
