Year One enjoyed their Science lesson on Tuesday afternoon where they were developing their comparative skills.

They were posed with the question '***Do people with bigger feet have bigger hands?***'

We were all surprised to discover that this was not, in fact, the case!

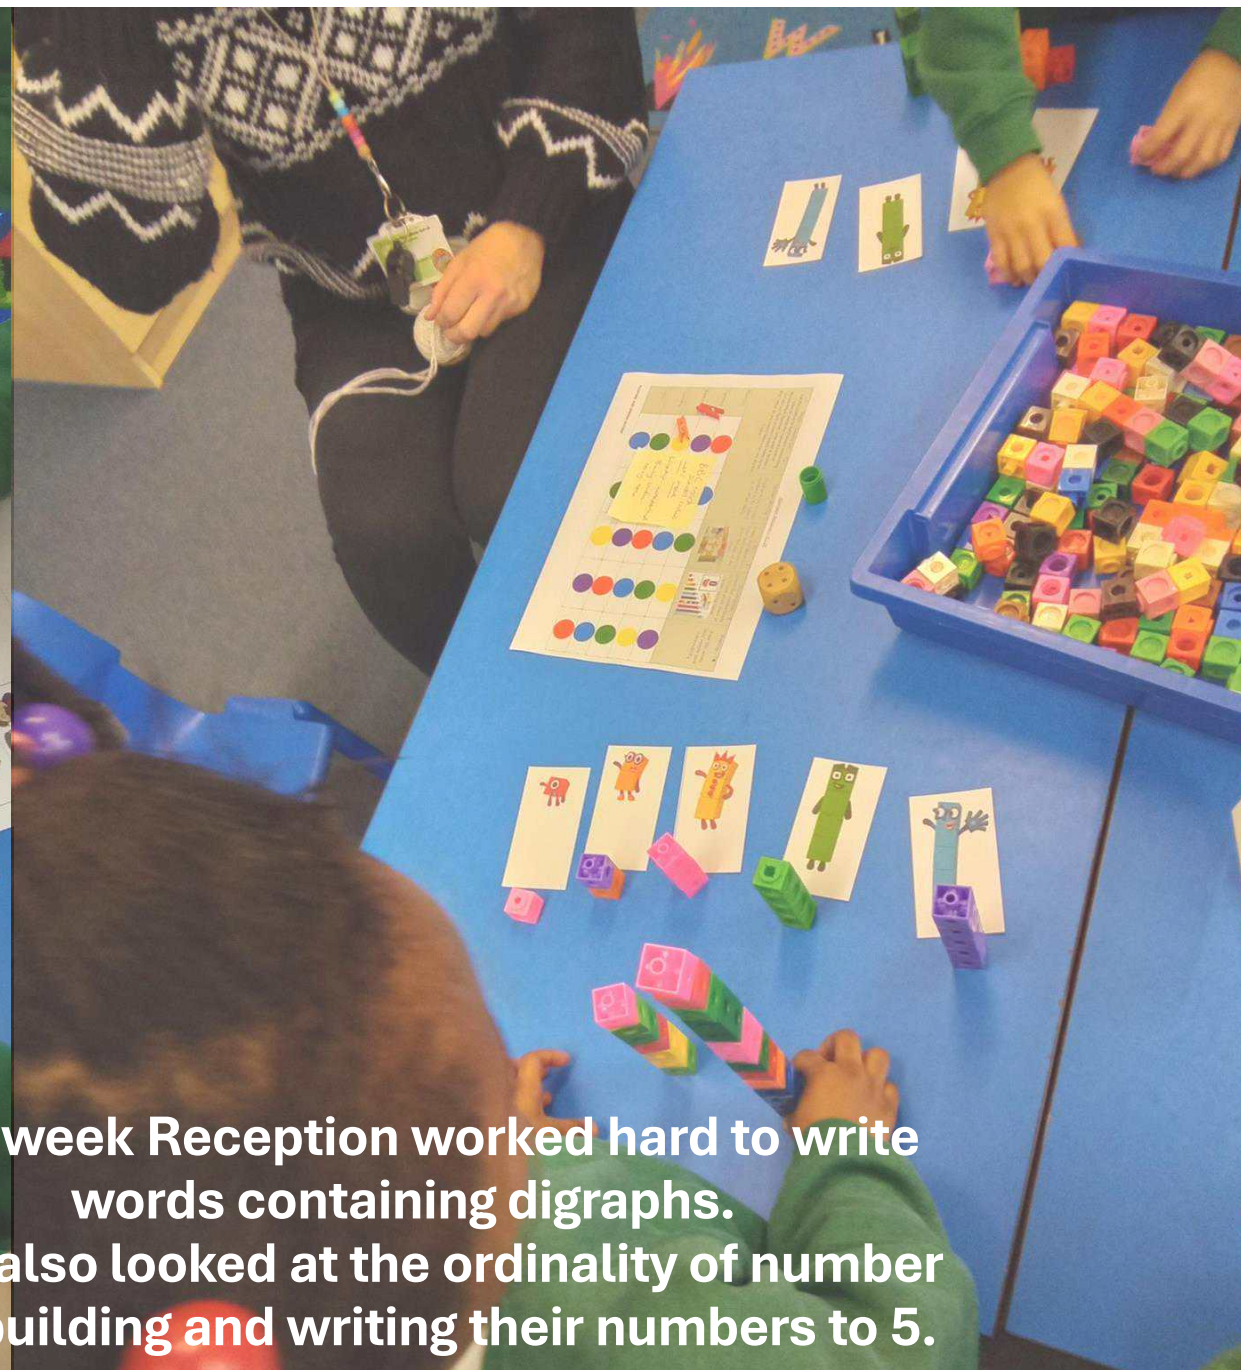

Year 1  
enjoyed  
making  
moving  
pictures  
in  
DT

This week Reception worked hard to write words containing digraphs. They also looked at the ordinality of number and building and writing their numbers to 5.

They arranged numbers in order using practical equipment.

They have also been testing materials to see which are waterproof and which are not. The children had lots of fun experimenting.

Reception had a very busy week!  
As well as investigating whether  
materials are waterproof they also  
made their own brushes to paint with  
using natural materials

A **Word** from  
**Pope Francis**

*"Dear brothers and sisters, be an active presence in the community."*

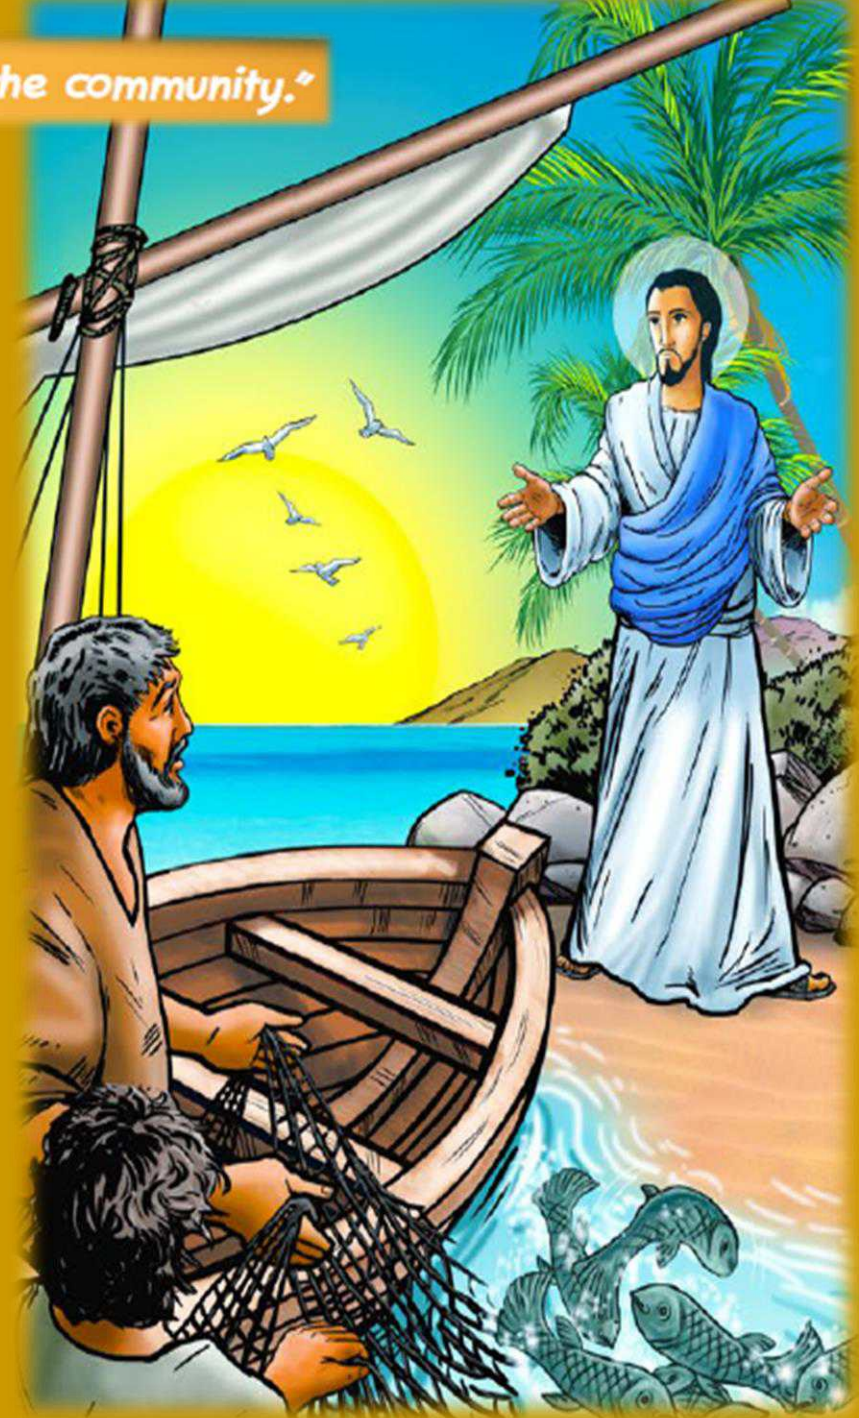

After John had been arrested, Jesus went into Galilee. There he proclaimed the Good News from God. "The time has come," he said, "and the kingdom of God is close at hand. Repent, and believe the Good News." As he was walking along by the Sea of Galilee he saw Simon and his brother Andrew casting a net in the lake - for they were fishermen. And Jesus said to them, "Follow me and I will make you into fishers of men." And at once they left their nets and followed him. Going on a little further, he saw James son of Zebedee and his brother John; they too were in their boat, mending their nets. He called them at once and, leaving their father Zebedee in the boat with the men he employed, they went after him.
