

PUPIL POST

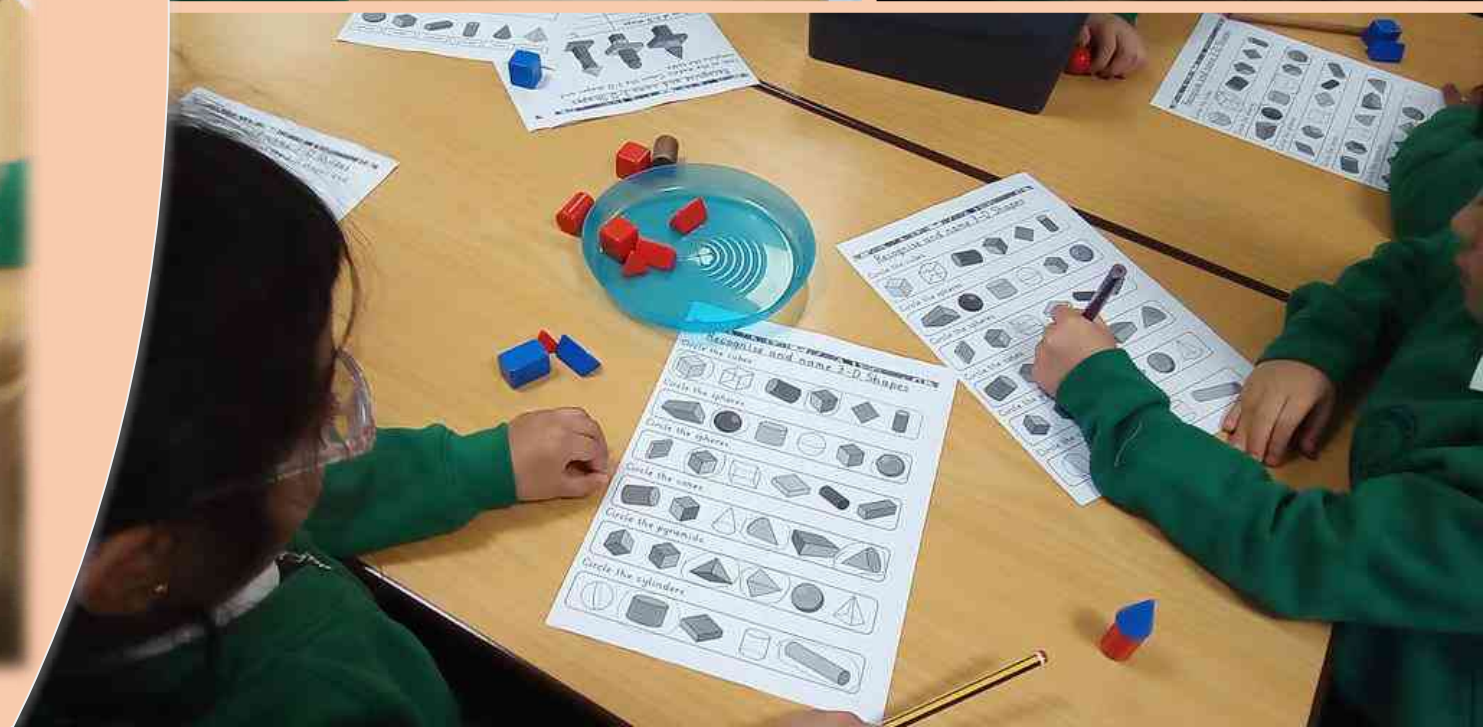

6th week in Ordinary Time
16th February 2025

Year 1 working on their handwriting and feeling pleased with their progress and efforts.

They have also
been learning to name
and recognise
3d shapes in maths.

Reception have enjoyed the outside area and have been sorting Elmer by colour and number.

The Nursery children are developing their play around favourite stories and using props.

They are finding out how things work.

We can use a stethoscope to listen to our heartbeat.

Watch the Reception children enjoying their gymnastics lesson with Mr. Jennings:

PIC•COLLAGE

And so much lovely learning and co-operation was seen in the Reception outside area.

Year 3 had a fabulous morning designing then making their seasonal tarts as part of design & technology.

There was even some left over for the staff to enjoy.

Thank you so much to our two mums that came in and helped.

Some more examples of our wonderful year 3 cooks.

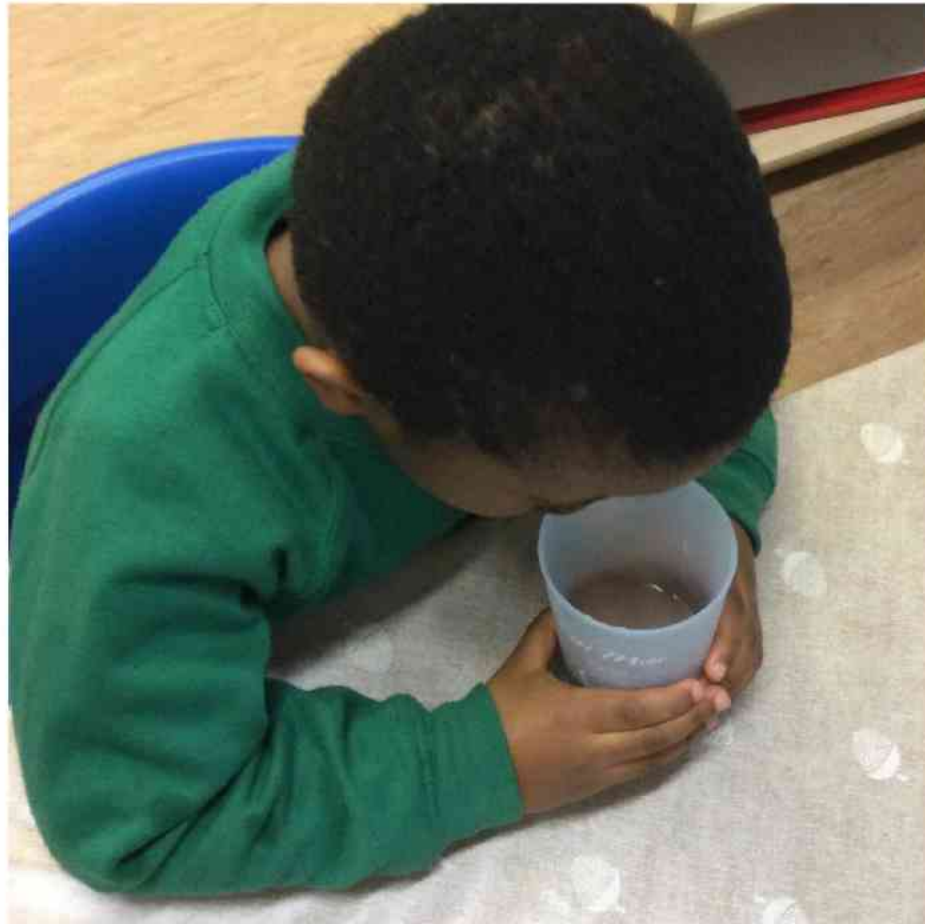

Year Five Teresa have been creating collagraph plates ready for printing.

In Science year 3 have been investigating magnets and enjoyed their investigation on the strength of different types of magnets

After a muddy walk in wellies, the nursery children enjoyed a warm cup of cocoa - perfect!

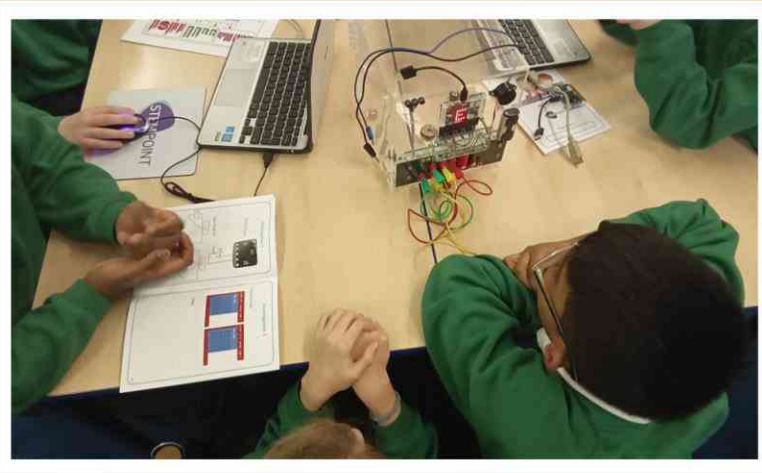

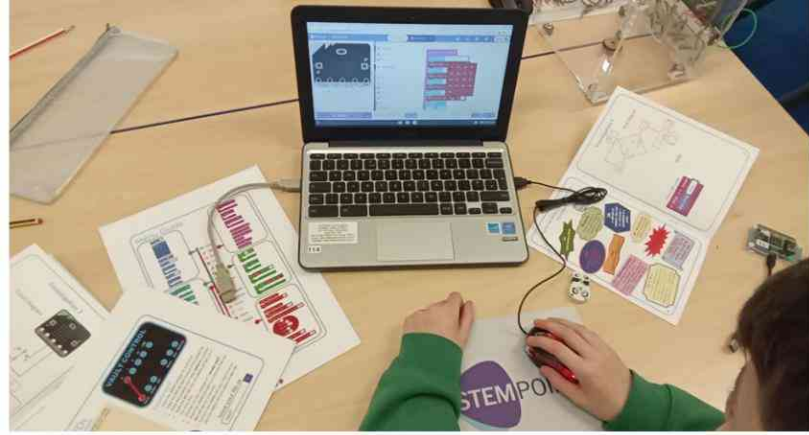

Year 3
made their
own papyrus
paper in
preparation
for scrolls
they'll be
creating in
art.

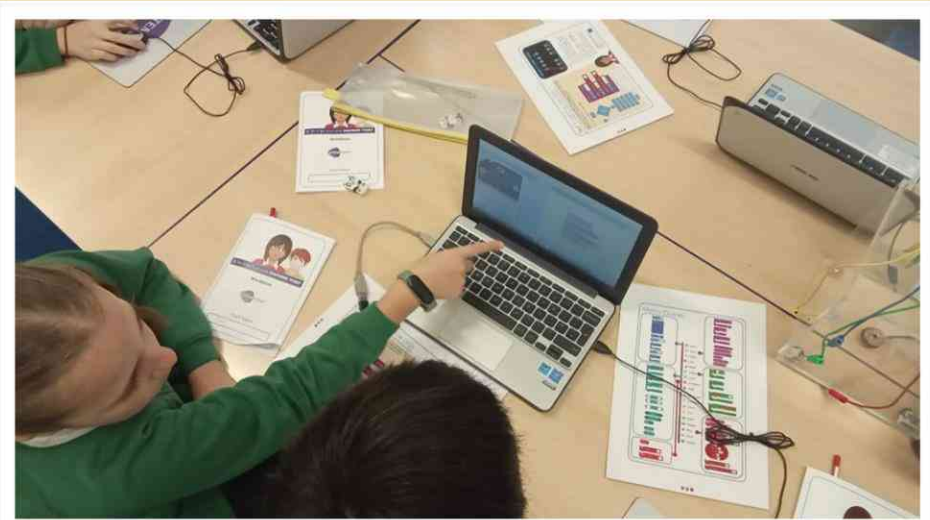

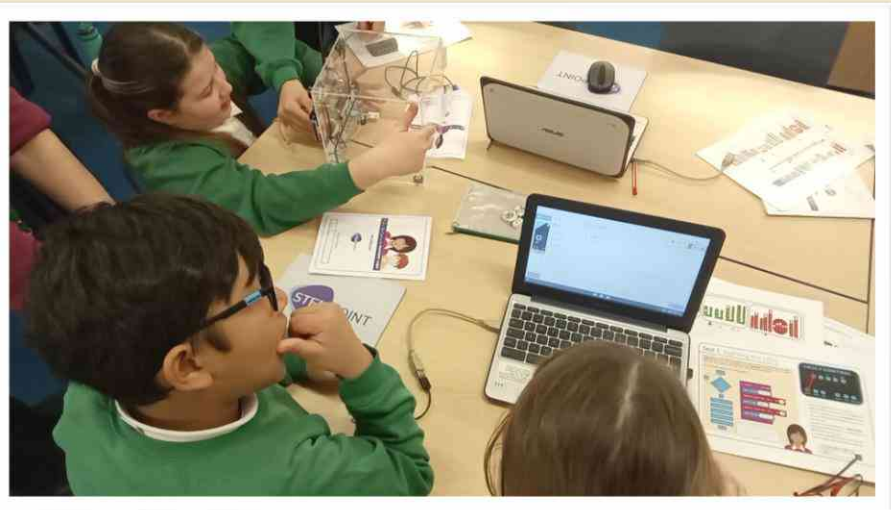

It was fun and we enjoyed learning about the real papyrus paper the Egyptians used.

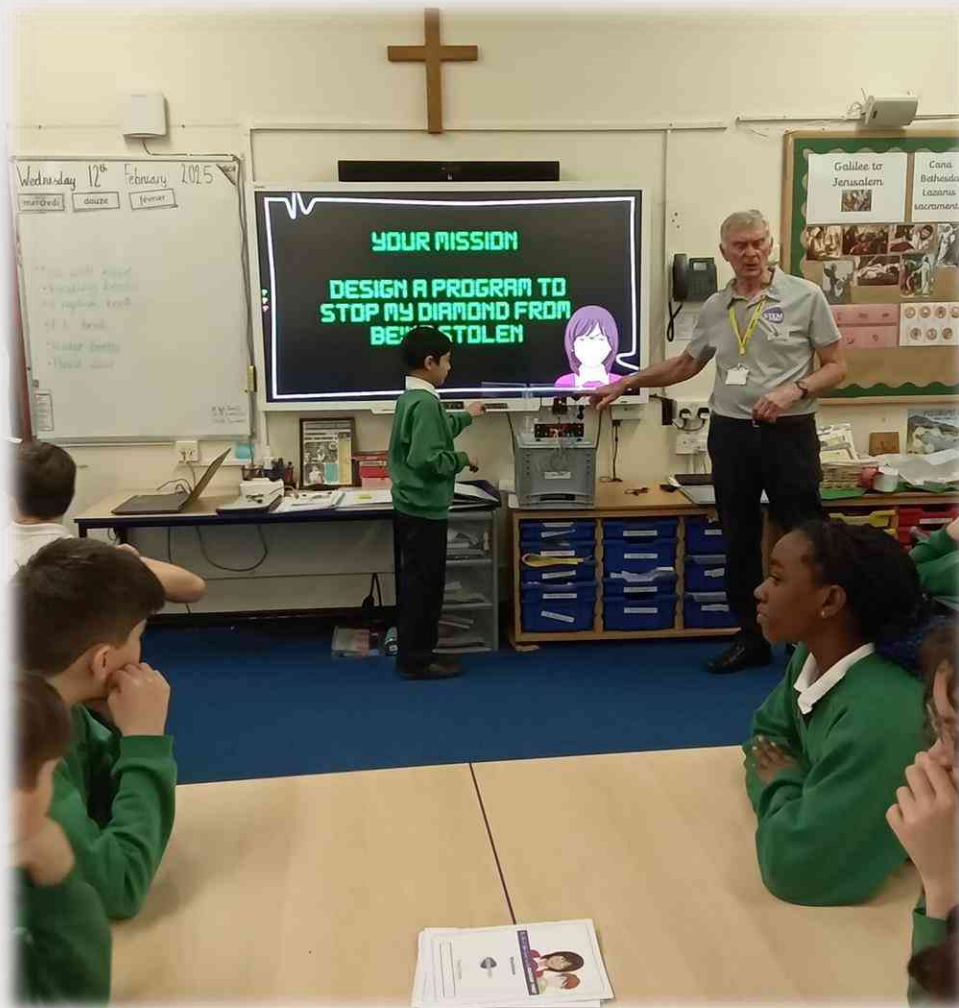

Some of our scroll designs in year 3.

Y6 learning lots about coding, investigating Miss Smart and the Diamond Thief, with the help of STEMPOINT

Year 6MF having a blast at the STEM workshop!

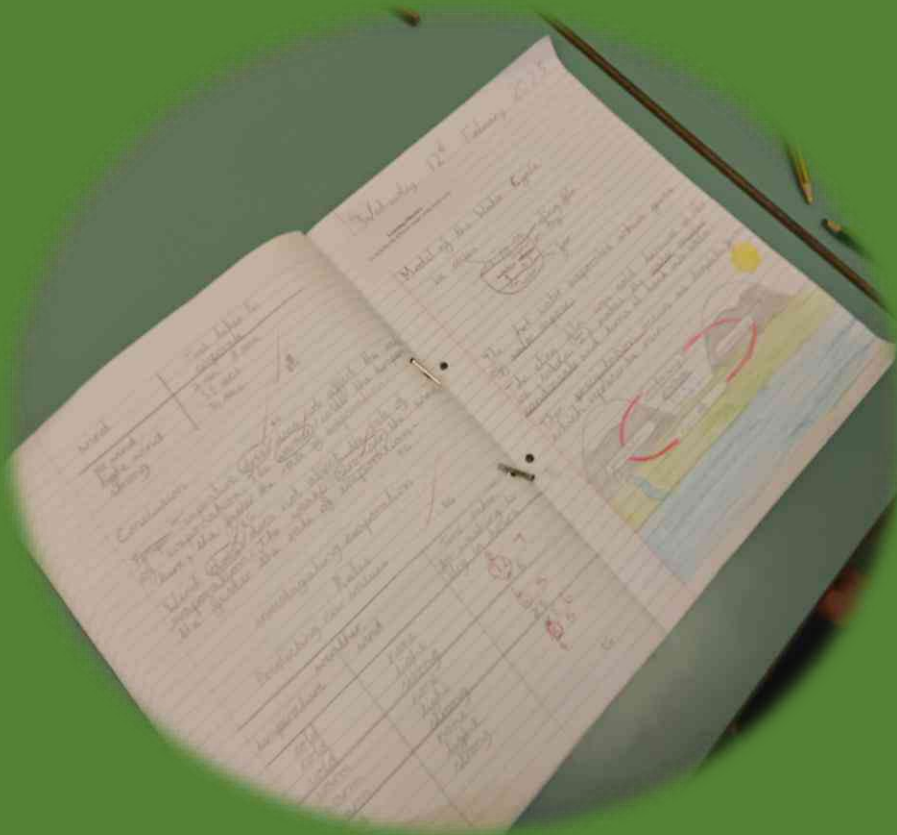

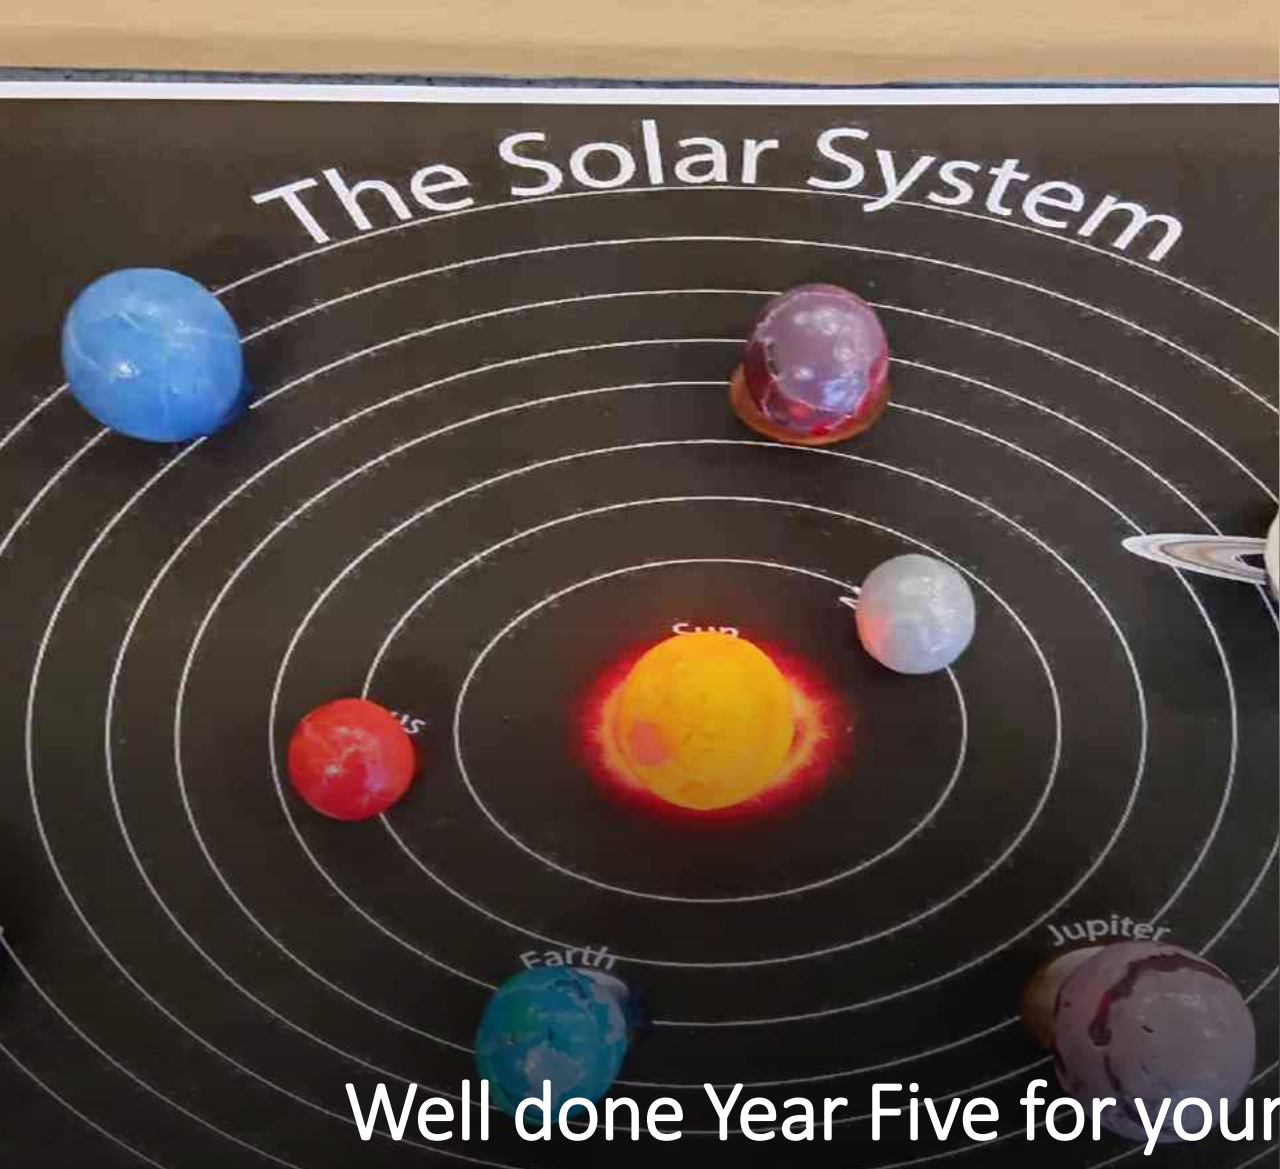

Reception love
our new
puzzles and
have shown
great
collaboration
skills!

In Year 4 we created our own water cycle inside the classroom.

Year 4 were explaining how the water cycle works.

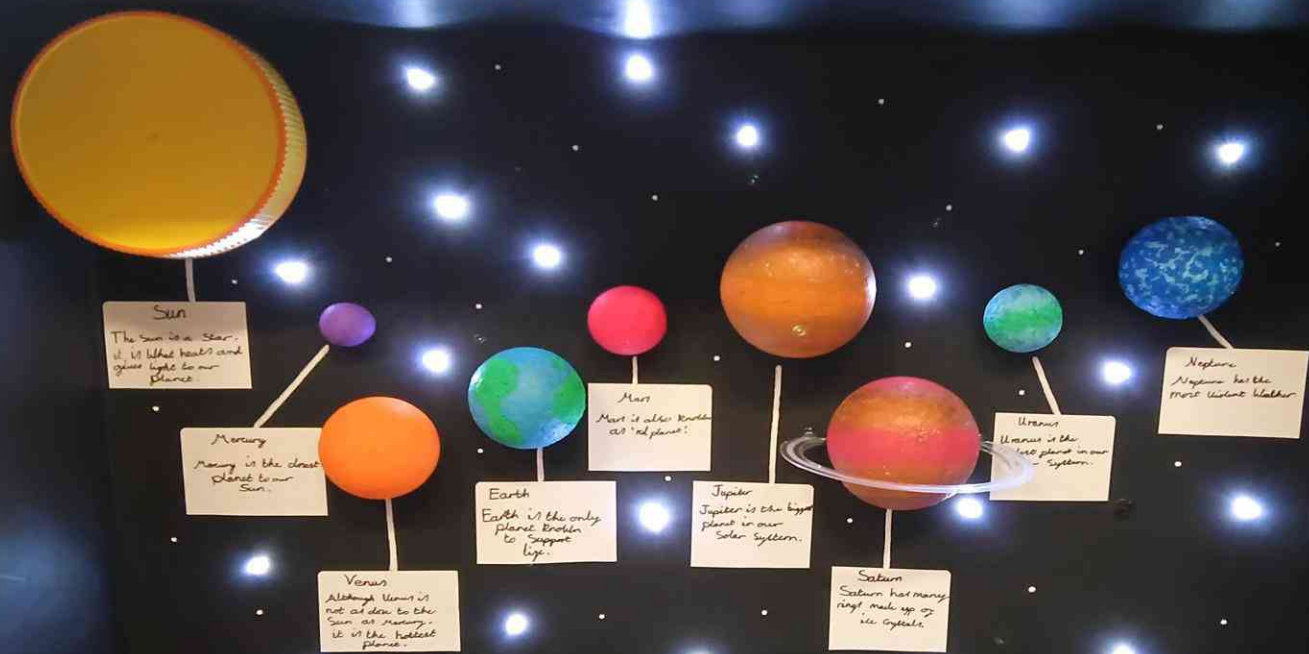

Well done Year Five for your amazing Space Exhibition.

AR SYSTEM By Peighton
k to creating this : https://www.youtube.com/watch?v=eQ_R90bdCjQ

You should all be very proud!

THE SOLAR SYSTEM

Jack Peters

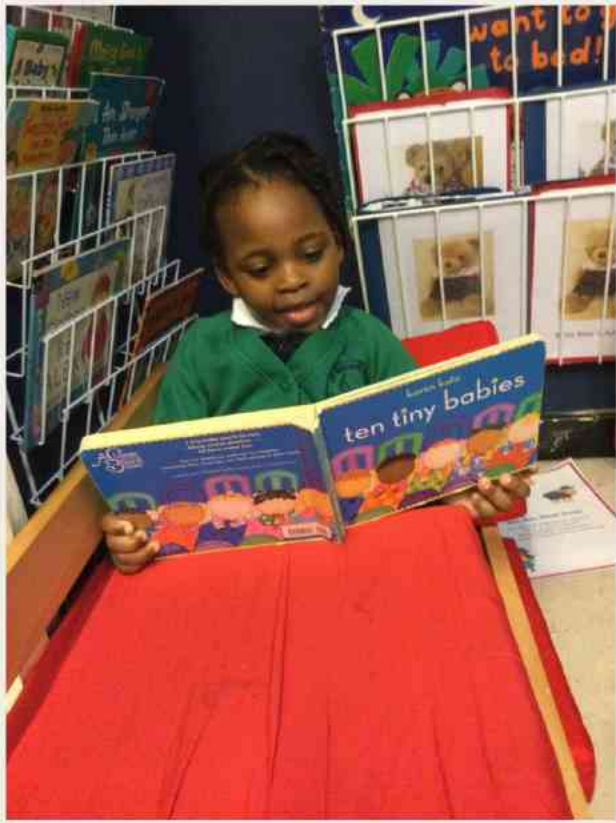

Reception O'Connor have had a fantastic time exploring their new sensory toys during child-initiated learning. They've also loved getting creative with painting and immersing themselves in small-world play.

The week in Nursery

Book browsing in the Nursery - engaging with the illustrations and print.

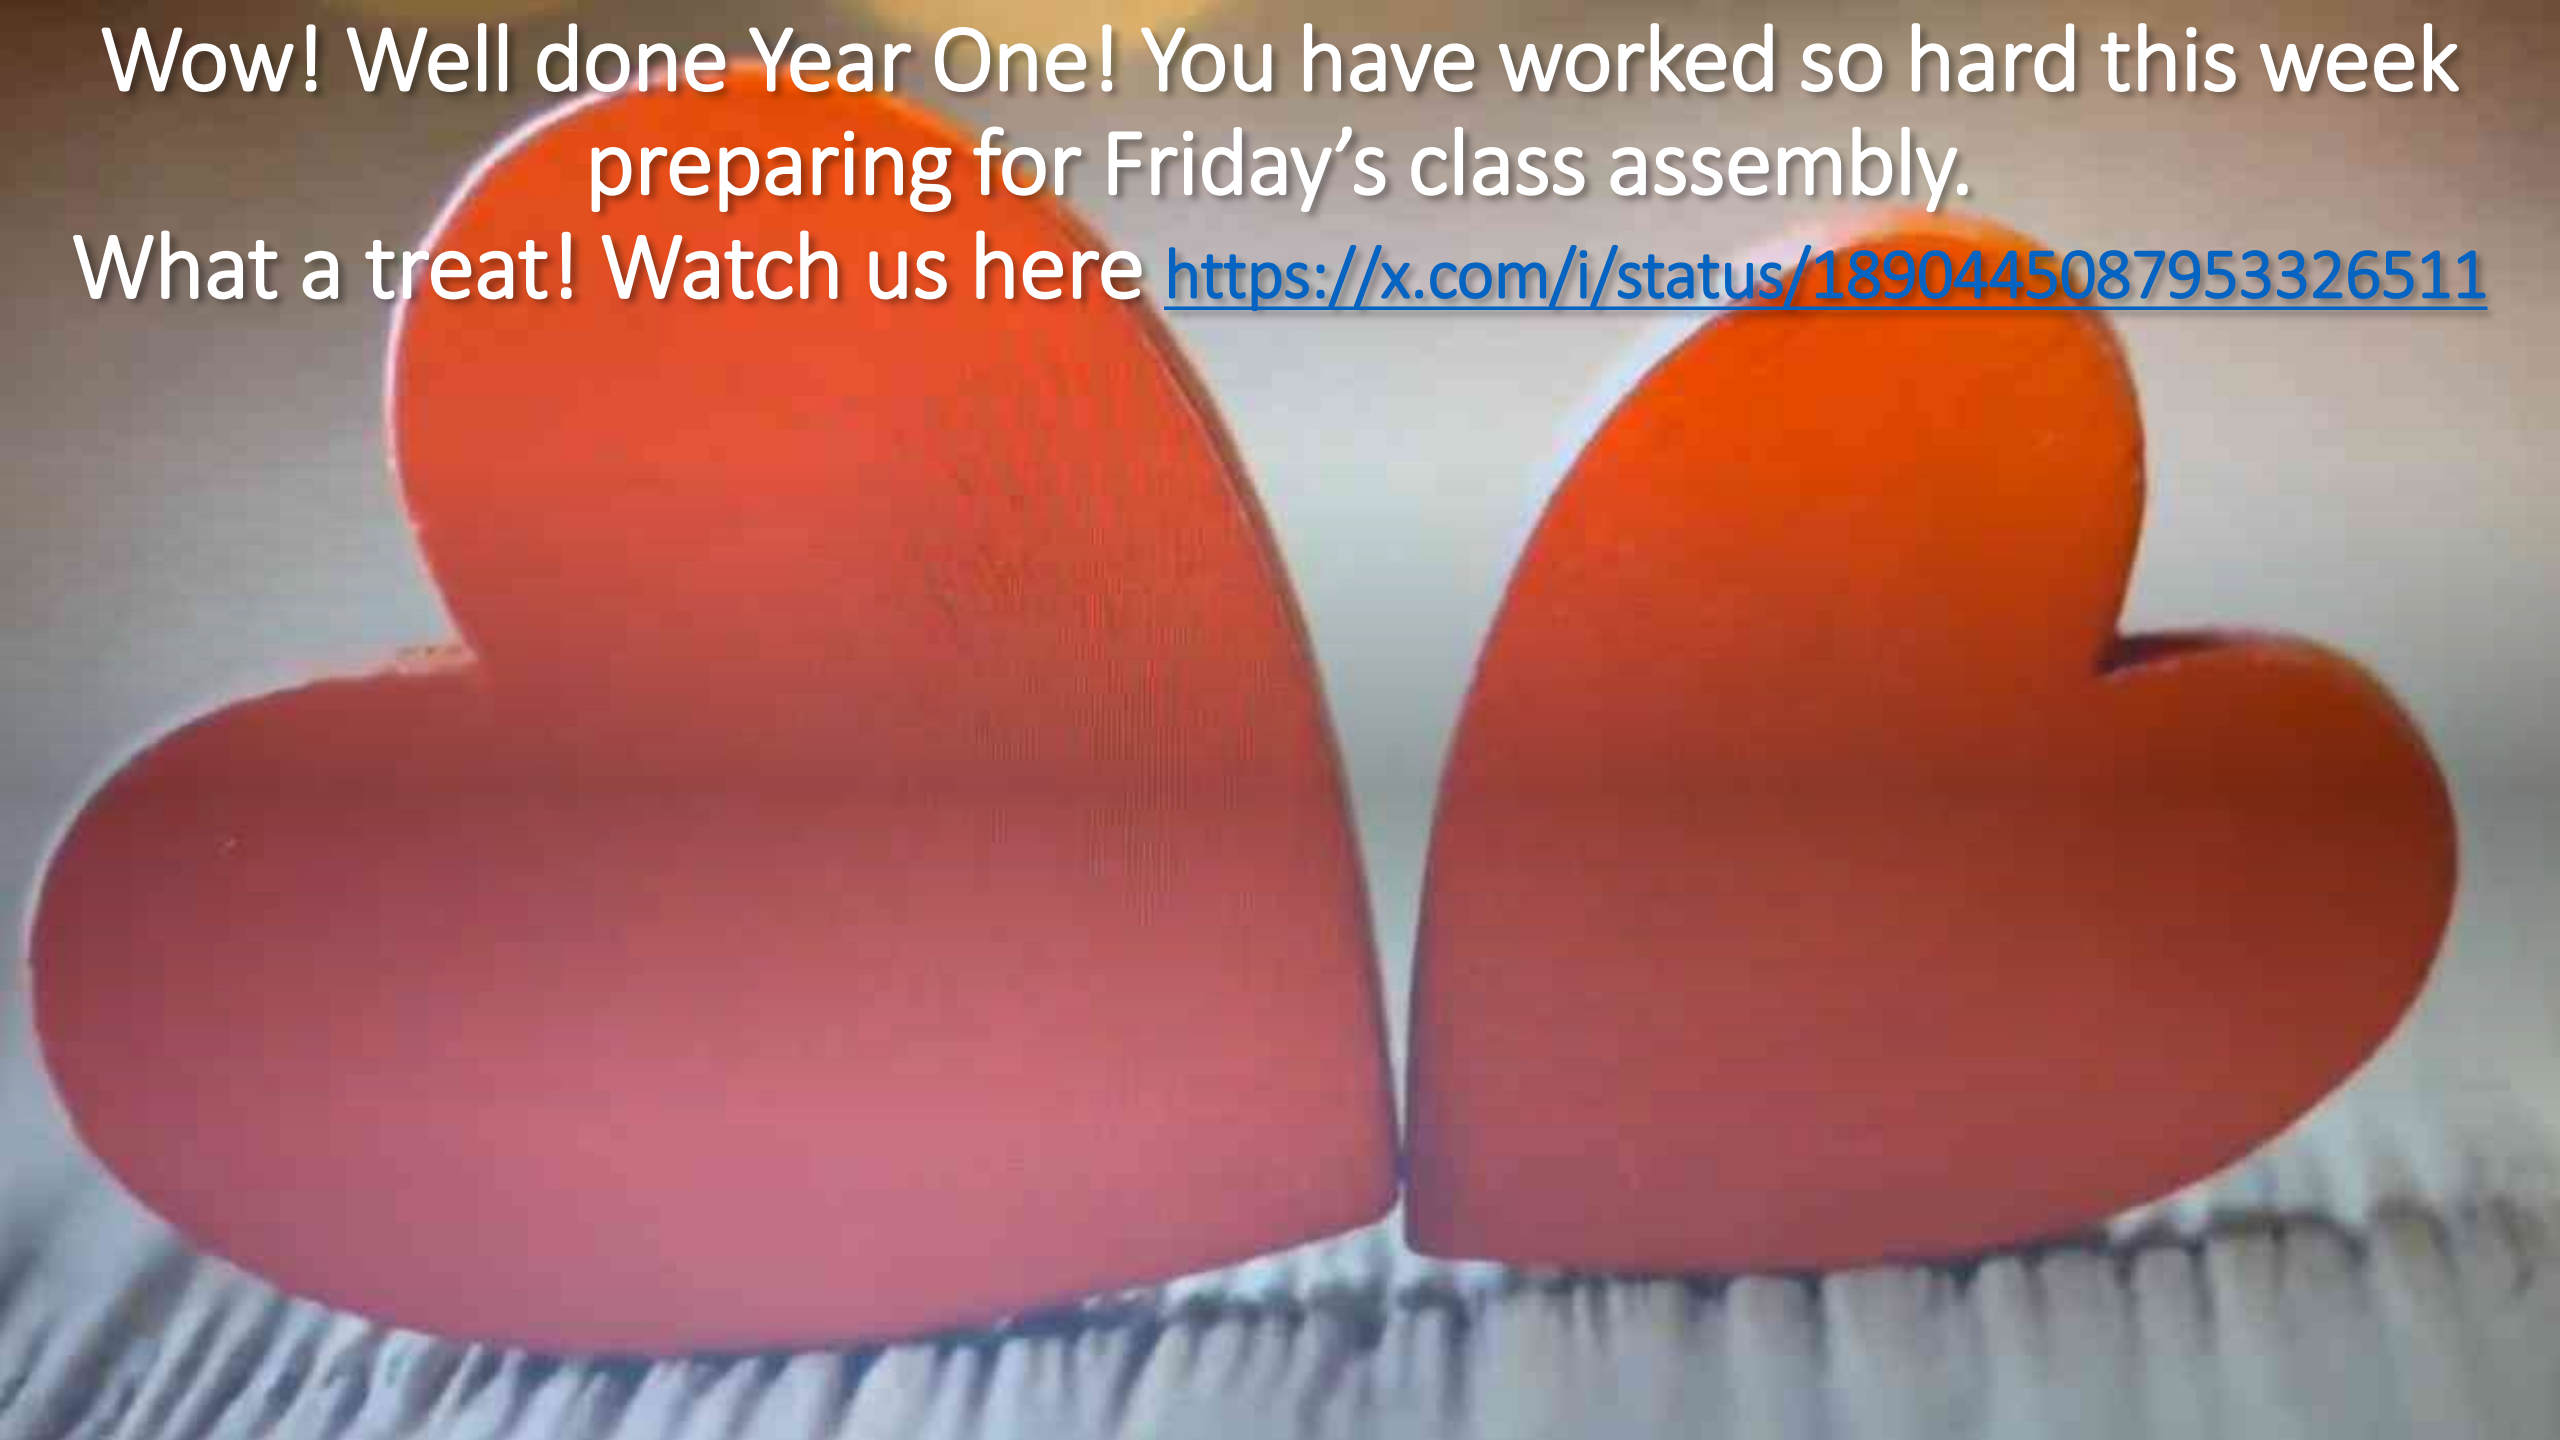

Year 6MF
ending their
day with a
wonderful
act of
worship all
about love!

Wow! Well done Year One! You have worked so hard this week preparing for Friday's class assembly.

What a treat! Watch us here <https://x.com/i/status/1890445087953326511>

"Put your trust in God! The Beatitudes are Jesus' way of life." Pope Francis

When Jesus and his disciples came down from the mountain, a great crowd came from all over to hear him teach and to be cured. Jesus fixed his eyes on his friends, the disciples, and said, "Blessed are you who are poor now, God's kingdom belongs to you. Blessed are you who are hungry now, because later you will have all the food you need. Blessed are you who are sad now, because later you will laugh. Blessed are you if people hate you and ignore you, and insult and attack you just because you follow me. Be glad and rejoice, because your reward will be great in heaven."

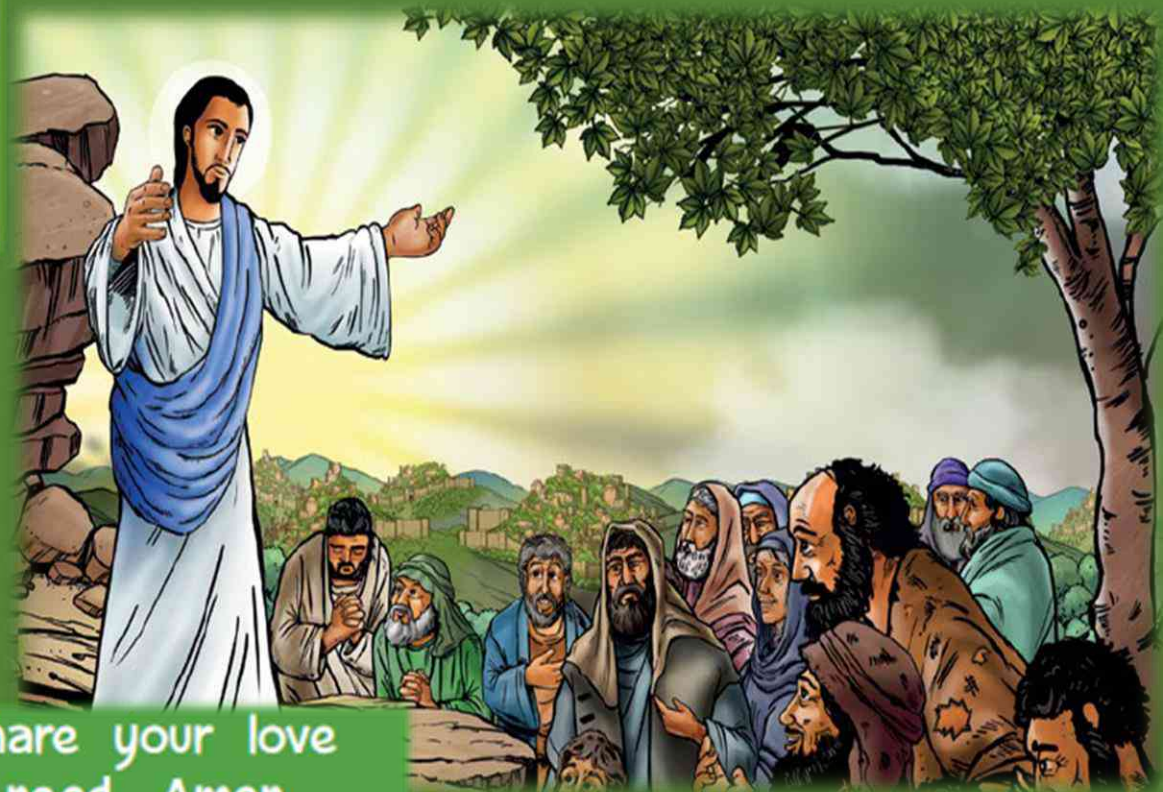

Please read and reflect together upon this week's gospel.
The theme is

TRUST

From the Gospel of Sunday 16th February 2025 Cf. Luke 6:17, 20-26 (the 6th Sunday in Ord Time, Year C)

"Trust the past to God's mercy, the present to God's love and the future to God's care." St Augustine of Hippo

Dear Lord Jesus, please help us to **trust** in you, to share your love and be a blessing to each other and to all those in need. Amen.
