In this Sunday's Gospel, Jesus talks about love. The Gospel reminds us that Jesus wants us to share his love in the world. Jesus' life is a lesson in how we are to love others. He wants each one of us to experience the life-giving happiness which comes from following his new commandment – to love one another as he loves us.

When Judas had gone Jesus said: "Now the Son of Man is glorified, and God is glorified in him. If God is glorified in him, God will also glorify him, and will glorify him very soon. My little children, I shall not be with you much longer. I give you a new commandment: love one another; just as I have loved you, you also must love one another. By this love you have for one another, everyone will know that you are my disciples.
