

More Problem
Solving from
Group 1.
Relying on
listening,
communication and
teamwork.

Our instructor's
expression says it
all!

They have
definitely improved
throughout the

Cruising our way through the day!

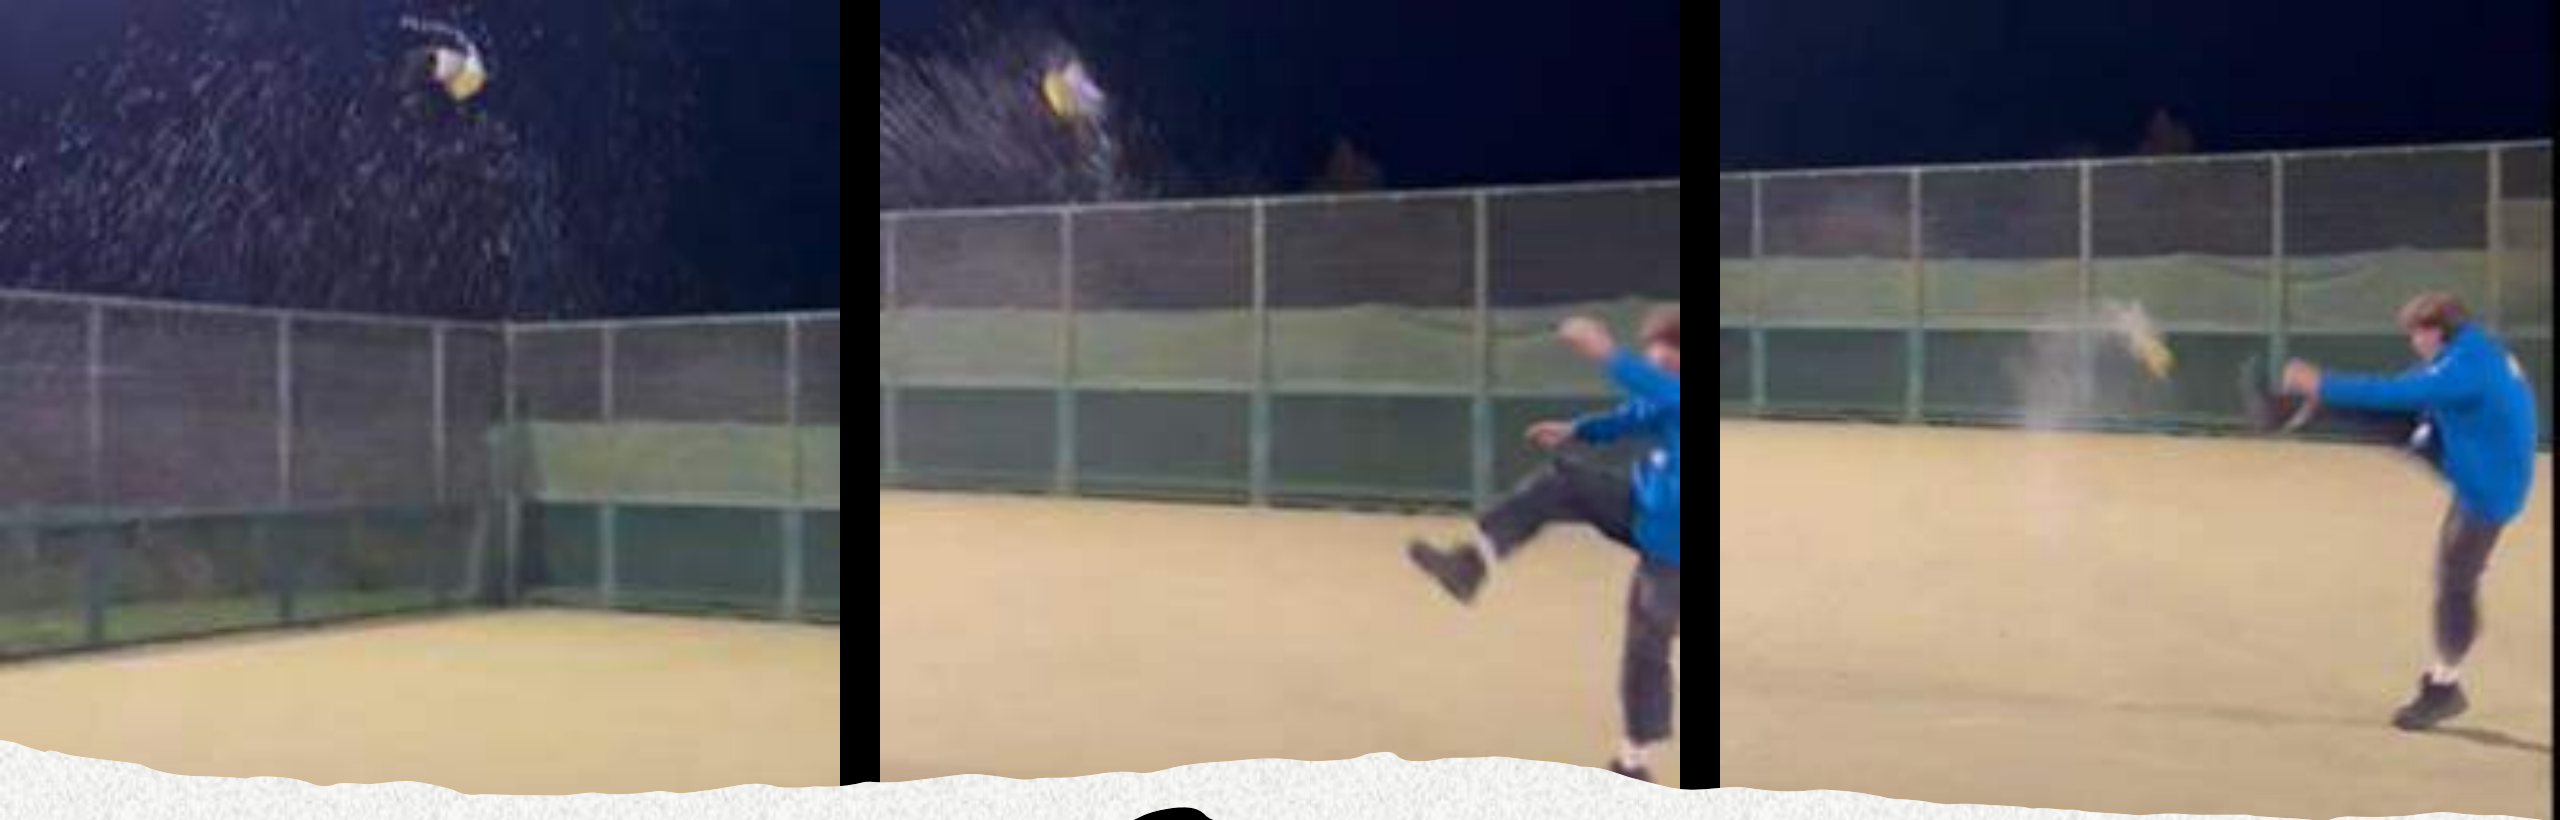

Well done group 5!
So proud of you all

**Climbing was a
challenge but
everyone tried
their best.**

Happy faces and full bellies at dinner time!

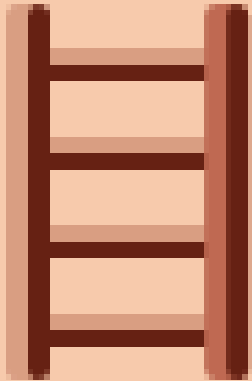

**Our evening activity was balloon splash where the children
had to protect a water balloon.
Not sure many could survive an Aussie rules kick!**

**Breakfast done
and off to finish
the final bit of
packing
before our
morning
activities.**

**Ready for
our vertical
challenge!**

**Buggy building
to start the final
day for Mr.
Crump's and
Mrs. Glover's
group.
Plenty of
teamwork and
communication
needed to be
successful!**

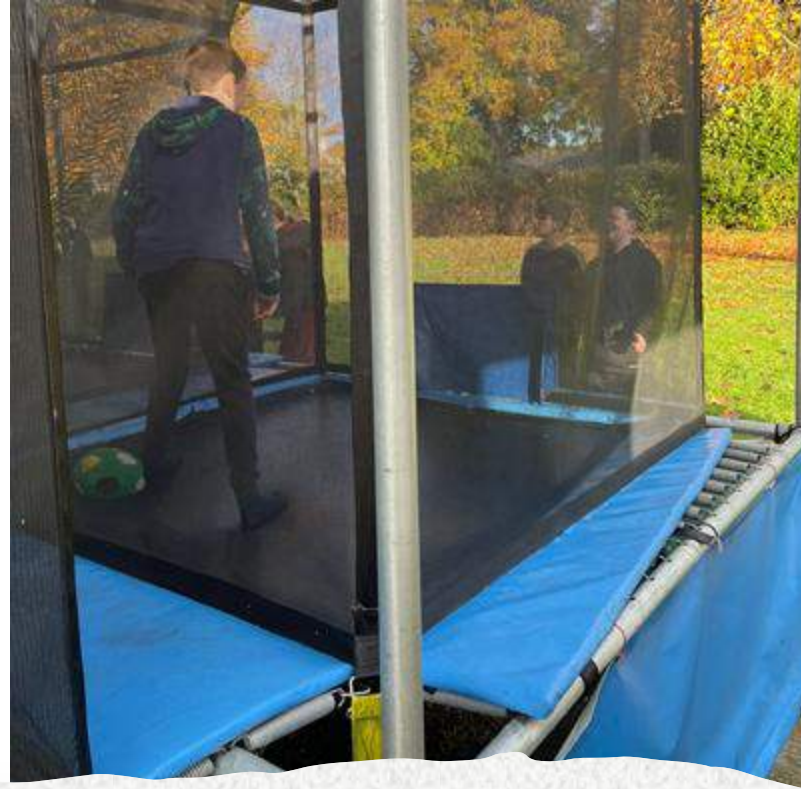

**Group 1 finally getting to do
Aero ball!
In the sun!
Encouraging each other and
cheering their team on!**

**Building the buggy time.
Let's hope it all stays
together!**

What amazing
teamwork to
build our
buggy!

**Great climbing
skills in Miss
Freitas' group!**

Our final PGL activity - Mr. Crump's group and Mrs. Glover's group on aero ball. Lots of stamina needed for this one!

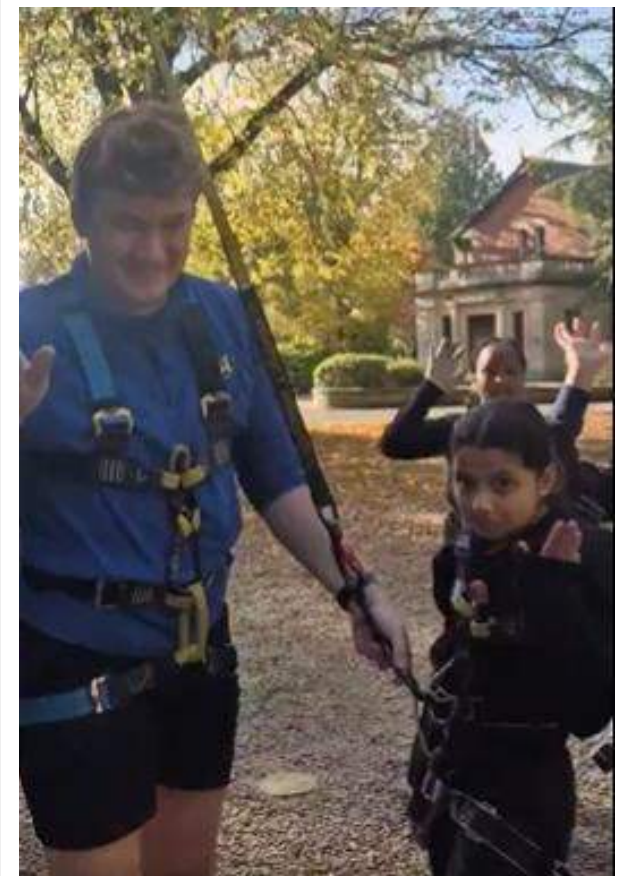

Ready for some more fun! Let's tackle the climbing wall!

**Watch Miss Freitas' group
having fun on the climbing wall!**

Climbing high on the vertical challenge

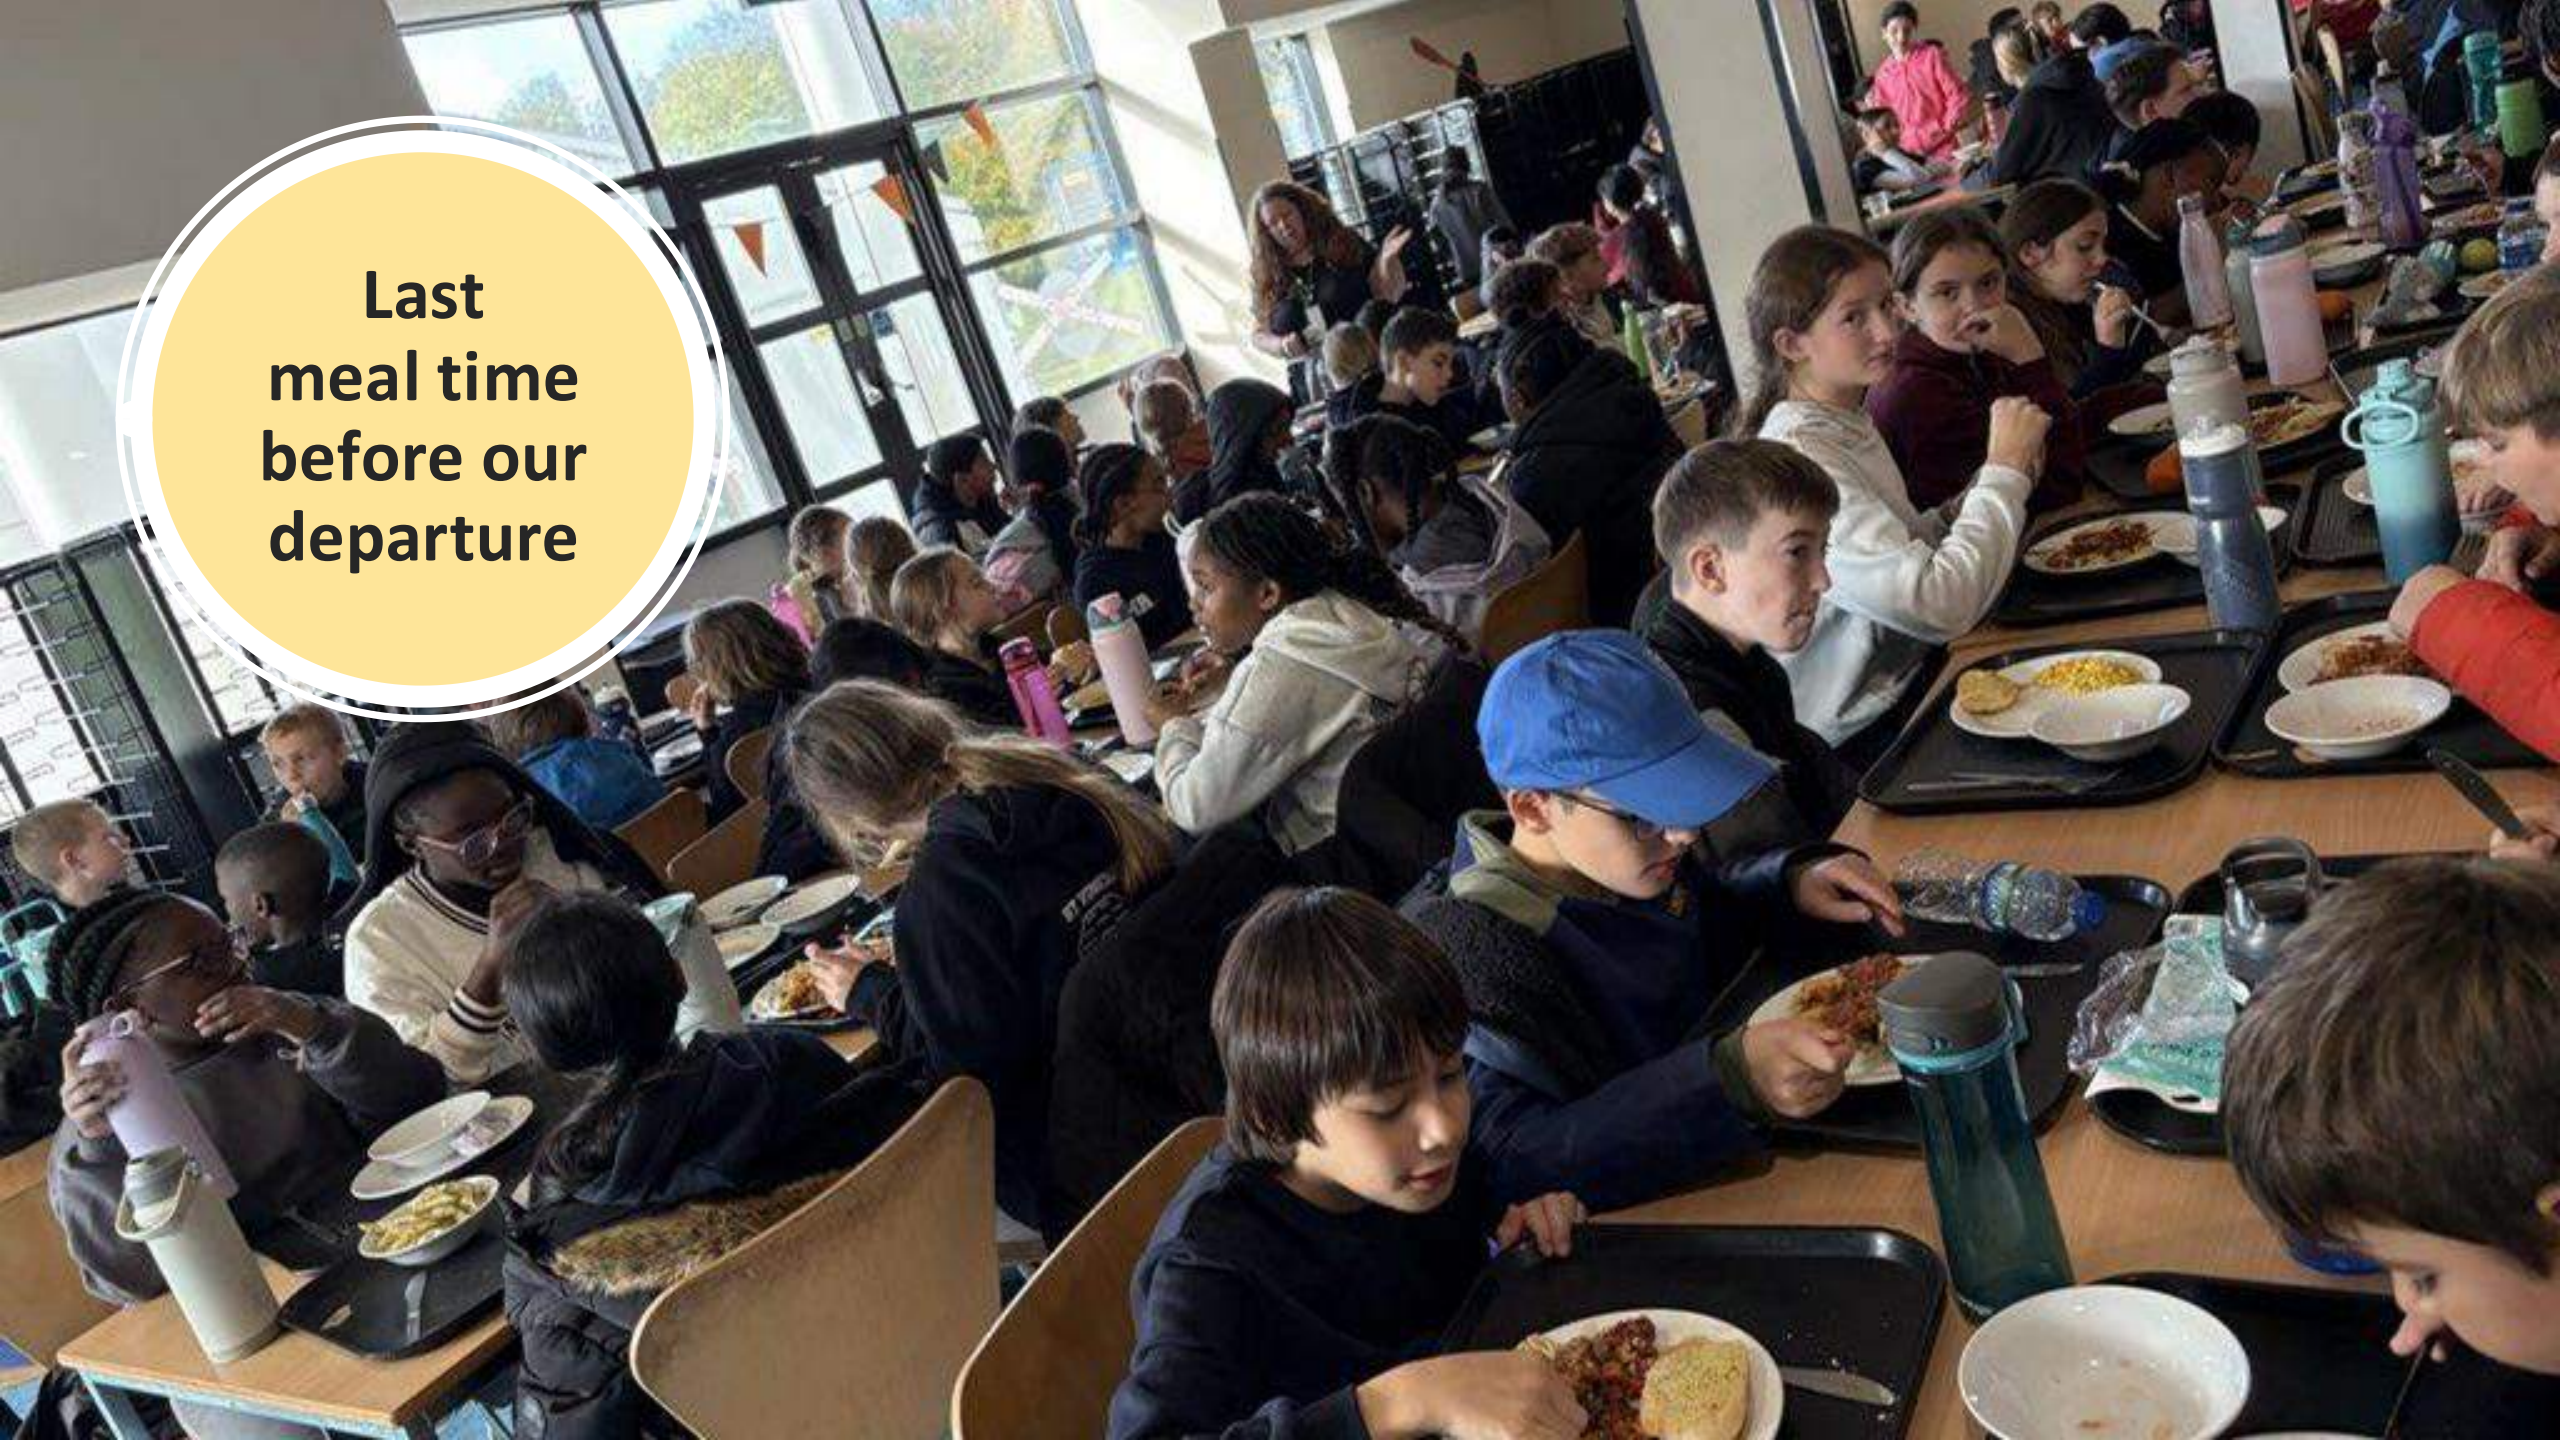

Watch our final, very successful, activity for Group 1 - Buggy Building!

Our instructor was very impressed with the
communication skills of the group. Well done!
