

We believe that spiritual development is a significant aspect of educating 'the whole child'.

It is associated with feelings and emotions,
and attitudes and beliefs.

It is accessible to everyone and is rooted in our
Catholic Christian Faith.

BE SPIRITED - LENT

- A place to gather together.
- A series of Reflective Prayer Stations in the hall
- Timetable each class to visit and experience reflective, personal prayer
- Pupils move to each station when they are ready.
- All movement between stations is to be slow, reverent and peaceful.
- After an appropriate length of time, the class gather together to end their prayer journey with a shared prayer, song or action.
