

# PUPIL POST

**July 5<sup>th</sup> 2020**

*Thank you Sam for the BUBBLE SCHOOL painting!*

**Y5 are doing an amazing job of  
transforming the wooded area  
so that others can explore it ...  
See the difference in the Then  
and Now pictures**

Boys and  
girls at work!  
They love  
Thursday  
morning  
outside

- ...even in the  
wind and rain!  
Thank you so  
much!

Bubble 12 were  
very excited to  
spot the first  
frog using their  
new frog  
shelter

A collective HT's  
award for you all -  
thank you!

Maths  
is  
all over  
the  
place!

# Science in Bubble 11

*Making predictions and testing how much weight their boats can hold before they sink. They found out that they need to make sure they are watertight, that they can hold more weight if they are wider/longer and if they spread the weight evenly over the boat.*

Science Investigation: How Much Weight Can Your Boat Float?

I am going to investigate \_\_\_\_\_

I will need:

- Aluminium foil
- Water
- Weights
- Ruler
- Scissors
- Bucket (with 1000 ml)
- Measuring cylinder

I am going to \_\_\_\_\_

Before folding the pieces of foil into a boat shape first measure the size of the foil and write it into the table below. I've done one as an example.

Size of the foil	I predict it will hold	Results
6cm 8cm	12 coins	8 coins (before it sank)

Bubble 11 have been thinking about the Sacraments of Baptism, Reconciliation and the Eucharist and how these Sacraments bring them closer to God.

The Sacraments help me to be a close friend of Jesus.

Baptism - When the water is poured on your head, it makes you a follower of Jesus.

Reconciliation - When you are reconciled, the weight comes off your shoulders and it's like God forgiving you.

Eucharist - When you receive Holy Communion, God gives us grace and happiness.

The sacraments help me to be kind, helpful and thoughtful because I know God loves me!

Eucharist is when God is in your stomach when you do

The sacraments help me to be a close friend of Jesus because when I am in the church I know that I am doing something wrong and when I do something wrong I know that I am doing something wrong

Jesus gets happy when the priest says in the name of the Father and of the Son and of the Holy Spirit then you become part of God's family

The sacraments help me to be kind, helpful and thoughtful

Sacraments help me to be kind, helpful and thoughtful

Baptism we join Jesus's church

We visited the Red Shed Dementia project on the top field and are continuing to develop our understanding of growth and changes over time.

# BUBBLE ONE

have been observing the effects  
of running.

*"It makes my heart beat faster!"*

So much energy and all were  
winners.

# TV STAR!

This clever Reception pupil has been watching Bitesize Daily while he's been at home.

He wanted to share his Salamanders book with them.

BBC added the picture to their weekly Bitesize video.

We made cards  
and baked for  
Father's Day. got  
a paddling pool  
to refresh  
ourselves in the  
hot days and  
continued cycling  
and planting  
seeds in the  
woods.

**We also joined in adding decorated stones  
to the Grace Way Covid Cobra**

# HAPPY BIRTHDAY

What a  
theme for  
a 7<sup>th</sup>  
birthday!  
You will  
never  
forget the  
lockdown  
celebration

Great ideas from a Y3 pupil!

*Could you have a go too and  
maybe make up one about a  
GREEN eye as well?*

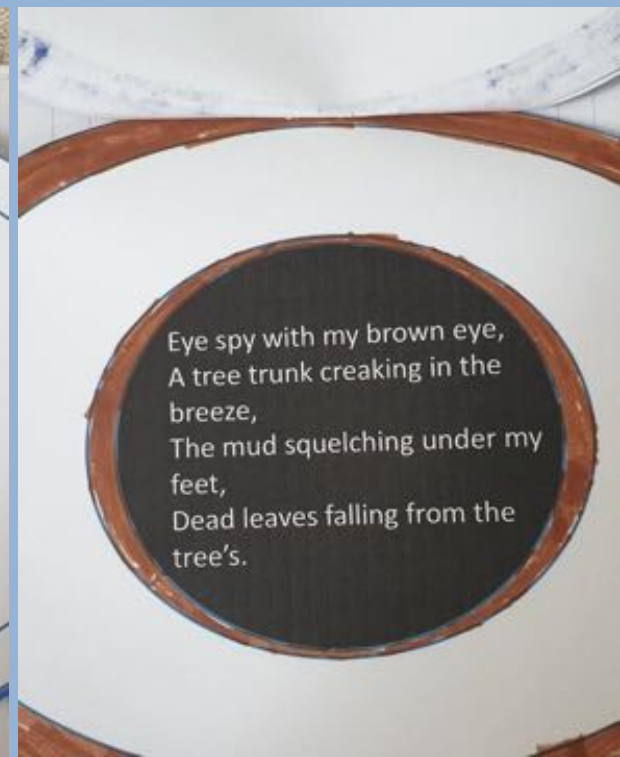

Eye spy with my blue eye  
Bluebells swaying in the  
breeze,  
Dolphins swimming in the  
deep blue sea,  
My blue blanket snuggling me

Eye spy with my black eye,  
A black and stormy night,  
Tires on my bike,  
A black bird flying high.

Eye spy with my white eye  
Fluffy clouds that look like  
things to me,  
Snow as deep up to my  
knee.

Eye spy with my brown eye,  
A tree trunk creaking in the  
breeze,  
The mud squelching under my  
feet,  
Dead leaves falling from the  
tree's.

# BUILDING A MODEL OF "THE TITANIC"

**There was a super  
PowerPoint to explain  
all about the history of  
the ship too.  
Brilliant home learning!**

# COOKING TOGETHER
