A GUIDE TO GOOD FRIDAY

Year 4TB has been looking at the importance of Palm Sunday and Good Friday in our RE lessons. We used Art and English links to explore the depth and significant meanings of these two days during holy week.

Year One were very excited to meet Zola the therapy dog who helped the children understand how we look after our pets as part of our science learning. Thank you Mrs. Lawlor for sharing your pet with us.

Reception Mozart are super excited to play in our new vet role play area after the Easter holidays.

**“Let us prepare to celebrate Easter in the joy of God!
Christ is risen! Christ is alive!”** *Pope Francis*

Before sunrise on Sunday morning, Mary Magdalene went to Jesus' tomb. She saw that the stone had been moved away from the entrance and that the tomb was empty. Mary ran to Peter and another disciple (John) and said, "Someone has taken the Lord out of the tomb and we don't know where they have put him." The disciples ran together to the tomb. But John, running faster than Peter, arrived first and looked into the tomb but did not go in. Peter, however, went into the tomb and he saw Jesus' linen burial cloths lying on the ground. He also saw the cloth that had been over Jesus' head; this was rolled up in a place by itself. Then John also went into the tomb; he saw and he believed. Until this moment they had failed to understand that Jesus must rise from the dead.

Please read
and reflect
together upon
this week's
gospel.
The theme is
EASTER.
