In this Sunday's Gospel, Jesus teaches us that every person, without exception, is our neighbour – particularly anyone in need. Through the parable of the Good Samaritan, Jesus is showing us how to be truly human and so change the world through loving and serving our neighbour.

There was a lawyer who, to unsettle Jesus, stood up and said, "Master, what must I do to inherit eternal life?" Jesus said to him, "What is written in the law? What do you read there?" The lawyer replied, "You must love the Lord your God with all your heart, with all your soul, with all your strength, and with all your mind, and your neighbour as yourself." "You have answered right," said Jesus. "Do this and life is yours." But the man then said, "And who is my neighbour?" Jesus replied, "A man was robbed on his way down from Jerusalem. He was badly beaten and left for dead. Two people passed by without helping him. But a Samaritan traveller who came upon him was moved with compassion when he saw him. He bandaged his wounds and took him to the inn and looked after him and paid for him to stay there. Which person proved himself a neighbour to this man who fell into the robbers' hands?" "The one, who took pity on him," the lawyer replied. Jesus said to him, "Go, and do the same yourself."

NEIGHBOUR

"We must not fail to help our neighbours, because in them we are serving Jesus." *Saint Rose of Lima*

Dear Lord Jesus, thank you for teaching us how to be good neighbours. Help us to show our love through our actions and so to be respectful and caring to all we meet. Amen.

"Anyone who needs me, and whom I can help, is my neighbour." *Pope Benedict XVI*
